

Being a column in which the publisher just "blows off the steam."

By Willard Jones

REV. G. C. HENRY, pastor of Calvary Baptist Church in Hamlin, last week was telling a yarn that was supposed to have come out of the recent Democratic convention at San Antonio.

It seems that one of the sessions at which a local minister, who was a Democrat, of course, who was to have given the invocation was absent. In the crowd was a close personal friend of the chairman of the meeting, who was a minister, but a Republican. The chairman asked his Republican friend to offer the invocation. But the Republican reverend declined.

"In the first place," the GOP preacher said, "it would hardly seem proper for a Republican to be praying at a Democratic convention. And in the second place, I don't want the Lord to know that I am here."

THE DOCTOR had visited a farmer in the McCauley community.

"Mrs. Robinson," said the doctor as he came out of the bedroom, "I must tell you that I don't like the way your husband looks."

"To tell you the truth, doctor," said Mrs. Robinson, "I don't either. But he's nice to the kids."

W. G. VOLLMER, president of the Texas & Pacific Railway, has been credited with some mighty sagely reasoning in ads printed over the company's signature during the past several years.

A recent advertisement of the railway carried these words of wisdom that deserve some pondering by all of us . . .

There is no such thing as a free lunch . . . not even when the government provides it. Every lunch has to be paid for . . . by somebody. The same is true of government aids, benefits and services.

They are not free. All of these things have to be paid for by somebody, and that somebody is we . . . the people.

There is no such thing as "federal funds." That term is a wolf dressed up in sheep's clothing, and it deceives a lot of us into feeling that whatever we get from the government is free. Congress does not possess an Aladdin's lamp or a financial wishing well. Neither does the administration in Washington.

Joe Murff Elected ASC Area Chairman

Joe Murff, farmer living east of Hamlin, was elected ASC chairman for Community A, embracing the northwest portion of the county, in balloting done September 9.

Ballots cast in the Agricultural Stabilization and Conservation committee election were tabulated by the county tabulation board, and the community committee

committees elected for each of the four communities are listed below:

Community A—Joe Murff, chairman; W. B. Agnew, vice chairman; and the places of the regular member and first alternate and that of second alternate resulted in a tie which will be broken by the casting of lots.

Community B—L. H. Rogers, chairman; Glynn Lovvorn, vice chairman; L. D. McDuff, regular member; Homer Russell, first alternate; W. B. Lassater, second alternate.

Community C—Rowland Doty, chairman; George Young, vice chairman; Franklin Godfrey, regular member; Merrick Harvey, first alternate; Kenneth Herndon, second alternate.

Community D—Roy Kelso, chairman; Harvey Allred, vice chairman; Troy Sloan, regular member; Charlie Propst, first alternate; Frank Carter, second alternate.

The four persons elected as chairmen of the community committee will meet in a county convention at 1:30 p. m. next Tuesday, September 23, and elect the three regular members and two alternate members of the county committee.

Community committeemen elected and county committeemen to be elected on September 23 will take office October 1.

Pastor Edmund W. Robb will be the evangelist for the series of services. Rev. Gene Moore, pastor of Faith Methodist Church, and wife will be in charge of the music for the meeting.

Dates for the annual fall revival at the First Methodist Church have been set for October 19 through 26, it is announced by church leaders.

Pastor Edmund W. Robb will be the evangelist for the series of services. Rev. Gene Moore, pastor of Faith Methodist Church, and wife will be in charge of the music for the meeting.

Only six Hamlin High School girls are on the inactive list—that is, only that number are now not in either the Pied Piper Band or the girls' Pep Squad, according to tabulations made this week by Dora Mitchell, sponsor and director of the Pep Squad.

Betty Maberry is head major.

Libby Johnson, daughter of A. E. Johnson, was elected as president of the Pied Piper Band in a meeting of the musical group's members last Wednesday.

Other officers named were: Jerry Crowley, son of Mr. and Mrs. Cliff Crowley, first vice president; Ann Richey, daughter of Mrs. Jack Richey, second vice president; Peggy Dodd, daughter of Mr. and Mrs. Curtis Dodd, secretary.

Libby is also drum major of the band, which made its first appearance of the season at the initial football game at Eastland. The Pied Piper Band did a half-time show about houses that influence our lives.

Plans for Handling Big Homecoming Crowds Shaping

Final plans for handling the big crowds expected to attend the fourth annual ex-student homecoming of Hamlin High School are being completed, declares L. C. Bonds, president of the HHS Ex-Student Association, sponsor of the yearly get-together.

All home exes are urged to please pre-register as soon as possible. They may contact Mrs. Robert Fowler or Mrs. Garland Preston and they will provide the registration cards. If it is not convenient for the local exes to pick up their cards, they may call either of these ladies and they will be fixed and left at Reynolds Drug.

Association officials want to stress the fact that the barbecue at noon on Saturday, October 3, is for the entire public, whether they ever attended Hamlin schools or not, and purchase of barbecue tickets as early as possible will be appreciated.

A downtown office will be set up within a few days where exes may register, but earlier registration is urged to avoid the rush when out-of-town exes begin to arrive.

There will be a pep rally Friday afternoon, October 3, in downtown Hamlin preceding the homecoming football game against the Winters Blizzards. Details of the rally will be given in a later issue of The Herald.

Doyle Combs Takes Fairview Pastorate

Rev. Doyle Combs has accepted the call as pastor of the Fairview Baptist Church, located seven miles southeast of Hamlin.

He is a teacher in the Noodle School and resides in the teaching at that place. His family consists of a wife and two small daughters, Brenda and Cathy.

Rev. M. E. Randolph of Abilene, former pastor, resigned to accept a call to one of the churches at Merkel.

New Class Schedule Slated by Schools

After three weeks of operation of classes beginning at 8:00 o'clock each day, a new schedule will be inaugurated next Monday, September 22, it is announced by Superintendent of Schools C. F. Cook.

Classes will begin Monday at 8:40 instead of the previous 8:00 time. First and second grades will dismiss at 2:40, and all other classes will dismiss at 3:40.

Of course, all school busses will run 40 minutes later than they have previously. Cook points out.

Earlier schedules had been in vogue on account of the warm weather of early September.

Members of the Pep Squad, by classes, are:

Seniors—Barbara Butler, Billie Dominey, Jo Ann Hallum, Louise Lakey, Betty Maberry, Melba Osborn, Glenda Williams, Glenda Wright and Judy Teichelman.

Juniors—Frances Howard, Judy Ford, Betty Galloway, Joyce Gray, Ann Maberry, Kay Millhorn, Carolyn Nuley, Sharon Sims and Derna Stapler.

Sophomores—Lillie Sue Austin, Gwendolyn Brown, Minna Campbell, Linda Cavitt, LaNell Cross, Darla Harkey, Jorene Hudspeth, Nina Jean, Suzanna Jenkins, Jennie Law, Lanita Mallory, Melinda Martin, DeNetta McCracken, Reta Maynard, Dora Palmer, Charlene Pendley, Ann Rabjohn, DeGwen Sanderlin, Myra Siburt, Sarah Snapp, Janice Ueckert, Nell Waldon and Sharon Wyatt.

Part of Man's Leg Amputated After Oil Mill Accident

Condition of L. C. Thomas, 34-year-old employee of the Midwest Cooperative Oil Mill at Hamlin, was declared good Wednesday, following surgery late Monday that amputated his left leg just below the knee at Hendrick Memorial Hospital in Abilene.

Manager R. L. McClung of the oil mill said the accident that injured Thomas occurred Monday afternoon about 4:00 o'clock in the seed crushing house of the big mill in Northeast Hamlin.

Thomas was working above a seed conveyor that was taking cottonseed from a nearby seed house to the crushing mill when he apparently slipped and the left foot was caught between a conveyor screw and the hanger that holds the seed conveyor trough. A big portion of the foot and lower leg was slashed from the leg by the screw.

Thomas was taken by fellow employees from the conveyor and transferred to Hamlin Memorial Hospital, where emergency treatment was given. He later was taken to the Abilene hospital for the surgery.

NEW PASTOR of the Hamlin Church of the Nazarene is Rev. R. T. Jarrell (above) who assumed the place a week ago. He comes to Hamlin from Amarillo. He succeeds Rev. W. S. Hanna, who recently accepted pastorate of a Fort Worth church.

BCD to Continue Rodent Control in Entire Community

Continuation of the rodent control program in the Hamlin community was stressed when directors of the Hamlin Board of Community Development met Monday evening in monthly executive session at the BCD office upstairs in the city hall.

The BCD will continue to furnish poisoned pellets to people of the community without charge, it was decided. The poison is available to everybody in the community—not just farmers and ranchers, as may have been understood previously, according to BCD President Carl Murrell.

Rev. Victor Ortiz was named by the directors to handle transient laborers at the labor camp on Southwest Fifth Street operated each fall by the BCD. Cotton farmers of the Hamlin section are asked to register their needs for laborers with Mrs. Ned Moore, secretary, at the BCD office, and the transients will be assigned by Ortiz to the various farm areas.

Area Soil Gets Best Soaking in Several Months

Hamlin territory's sagging rainfall record for 1958 received a big first Monday and Tuesday when more than two inches of precipitation was recorded at the government rain gauge maintained by Bill Rountree at the city pump station.

While rainfall in areas around Hamlin received up to five inches in first-of-the-week rains, a total of only 2.33 inches was registered at the government gauge for Monday and Tuesday. Rainfall was heaviest east and northeast of town.

This week's wetness brought the 1958 total to 13.33 inches, which is more than two and one-half inches less than the 16-inch average for this time of year, Rountree reports.

August's total rainfall was 1.17 inches. By days, September rainfall was recorded as: September 7, .14 of inch; September 8, .05; September 10, .03; September 15, 2.06; and September 16, .27.

Another Gain Shown in Attendance Totals at Sunday Schools

Still another gain—the third in a row—was registered in attendance at Sunday Schools of 18 Hamlin churches last Sunday. The 1,301 total was six more than the previous week and 14 more than the year ago total.

Attendance, by churches, for September 14, September 7 and a year ago follows:

Yields and Staple Turning Out Best in Several Years

County Agent Koby Clayton this week estimated that Jones County farmers will harvest 35,000 bales of cotton this season for an estimated revenue of \$4,330,000.

This yield would be better than the average crop for the past 10 years, but only about one-third of the peak crop of many years ago.

The Jones County crop will be second only to Haskell County in the Central West Texas area, according to tabulations of the Abilene district office of the cotton control office.

From the standpoint of acreage, it will be one of the smallest crops in years. But from the standpoint of yield, it will be one of the most productive crops harvested since before the drought.

It is estimated that upland cotton will produce an average of half a bale to the acre. Around Hamlin, where rainfall was not as good as in other parts of the county during June and July, the yield in some sections will be less than the half-bale average.

Prices farmers are expected to receive for the staple is 31.08 cents per pound, about the average of the government price support loan on middling seventh-eighths-inch staple. This would produce a net bale income of around \$124 to the farmer who owns his land and is able to get his cotton pulled and ginned for \$36 a bale, which is about the "going price" in the territory.

Following is a tabulation of the estimated yields and the estimated net revenue by counties in the Central West Texas area:

County	Acreage	Revenue
Coleman	3,000	\$ 372,000
Fisher	21,495	2,880,330
Haskell	50,000	6,200,000
Jones	35,000	4,330,000
Knox	32,000	3,968,000
Mitchell	23,360	3,130,240
Nolan	16,500	2,155,000
Runnels	20,000	2,480,000
Scurry	20,000	2,480,000
Stephens	750	93,000
Stonewall	10,000	1,240,000
Throckmorton	5,000	620,000
Taylor	10,000	1,240,000

Who's New This Week

After last week, when no new arrivals were reported, the store had a busy week at Hamlin Memorial Hospital, as seven new citizens were recorded. Five girls and two boys, they are:

A girl for Mr. and Mrs. James W. Carter was born September 8. Weighing six pounds eight ounces, she has been named Sherry Marie.

A girl for Mr. and Mrs. James F. Covington arrived September 10. Tonya Sue will be her name, and she tipped the scales at eight pounds six ounces at birth.

A boy for Mr. and Mrs. Michael D. Pitcock of Aspermont arrived September 12. His weight was checked at eight pounds seven ounces. He will answer to Terry Dwayne.

A boy was born to Mr. and Mrs. Coy D. Pritchard on September 11. Michael Brent is the name of the heavyweight of the babies, who balanced the scales at nine pounds one ounce.

A girl for Mr. and Mrs. Richard M. Oregor of Corpus Christi discovered America September 13. Weighing a light four pounds 14 ounces, the seniorita will answer to Diana.

A girl for Mr. and Mrs. Billy Howard was born September 12. Kimmie Denise weighed eight pounds one ounce on arrival.

A girl for Mr. and Mrs. Marvin Carlton was born September 14. She weighed an even seven pounds and will henceforth be known as Elaine.

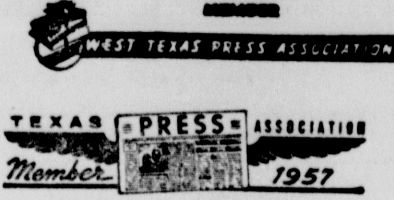

AMONG BABY PICTURE ENTRANTS in the recent photograph contest conducted by Lucas Studios of Irving were the youngsters pictured above. This is the first set of pictures, and another group will be printed in The Herald next week, when winners will be announced. Shown above are: Top row (left to right)—Mike Herd, entered by his grandmother, Mrs. Arnold Herd; honey and Micky Jones, sons of Mr. and Mrs. Harlan Jones; second row (left to right)—Terry Lynn Gregory, son of Mr. and Mrs. Don Gregory; Debbie and Paula Carlan, daughters of Mr. and Mrs. Paul Carlan.

THIS SMOKING HABIT IS COSTLY IN MANY WAYS

Despite the fact that the smoking habit is embraced by a large percentage of the youths and adults of this country, health authorities still give repeated cautions about the dangers incident to smoking.

Not only is smoking harmful to health but the basic reasons for not smoking far outweigh any advantages—if there are any such things. Smoking is costly. The average smoker will invest nearly \$200 per year in cigarettes. Smoking begets laziness and indolence and sluggishness. Smoking wastes time and energy. An employer of some 12 people recently declared that he paid his employees nearly \$200 per week to smoke on his time, based on the amount of time that was wasted by them stopping work to smoke. Smoking is filthy. It scents up the atmosphere as well as the body of the smoker. No lady smells dainty and delicate who has cigarette smoke as the predominant odor of her person. Smoking is repulsive to many people, but most of them endure it rather than relish it. Smoking hurts eyesight, defaces facial features, enlarges lips, stains teeth and fingers. Smoking shortens breath, increases heart-beat and disturbs nerves.

A new Public Health Service study records the death rate among veterans who regularly smoked cigarettes alone as 58 per cent greater than that of non-smokers.

Those who used tobacco in any form—not just cigarettes—are shown to have a death rate

32 per cent greater than for persons who have never smoked.

The report made public recently was prepared by Dr. Harold F. Dorn, chief statistician for the National Institutes of Health, a part of the Health Service. It was drafted for delivery to the Seventh International Cancer Congress in London.

Dr. Dorn summarized death rates among 198,925 holders of U. S. government life insurance policies. These persons served in the armed forces between 1917 and 1940. They were aged from 30 to 90, with the majority between 50 and 70.

His report covered 7,382 deaths during the period July, 1954 to December, 1956. The deaths were related statistically in the report to the smoking habits of the veterans.

Of those who died, 6,203 were listed as smokers and 1,179 as non-smokers. The main findings—that smokers had a death rate 32 per cent higher than non-smokers and that smokers of cigarettes alone had a rate 58 per cent higher than non-smokers, were supplemented by these other points in Dorn's report:

The lung cancer rate for regular smokers of only cigarettes was about 10 times the death rate for non-smokers.

The death rates among regular cigarette smokers were closely related to the amount smoked. For example, death rates of persons who smoked more than 40 cigarettes a day were much higher than those of persons who smoked fewer than 10 cigarettes a day.

We Are Still Well Off

There is no point in minimizing the unemployment problem in this country. At the same time, there is an obvious danger that we may be led into wildly exaggerating it.

As of a late date, the Wall Street Journal points out, the unemployed amounted to about seven per cent of the total work force. By way of comparison, the figure at the worst of the great depression of the 1930s was 30 per cent. The lowest figure—three to four per cent—was reached during the post-war boom.

"Therefore," the Journal says, "when we attempt to appraise the present state of the economy in terms of unemployment we should remember that seven per cent out of work, while personally distressing, is mathematically excessive only when compared with the best years any economy ever had."

We all hope that the seven per cent of the work force who are now unemployed will find jobs soon. Meanwhile, it will do no one any good to act as if the bottom has completely fallen out of the economic structure. It hasn't. Despite the recession, the vast majority of the American people are far better off, materially speaking, than their equivalents in any other country on this earth.

Safety Depends on Us

"When you work for safety—safety works for you." That was the theme of the recent fifteenth annual National Farm Safety Week. It is co-sponsored by the National Safety Council and the U. S. Department of Agriculture.

Purpose of the special week, which was proclaimed by President Eisenhower, was to prevent accidents to farm families—in the home, in the field and on the highway.

Accidents to farm residents take nearly 13,000 lives and injure more than 1,000,000 persons annually. Farming has more deaths each year than any other major industry.

Many organizations concerned with agriculture and farm life cooperate in the national campaign.

"The National Safety Council urges everyone with an active interest in the welfare of farm residents to participate in National Farm Safety Week, and to promote a constant prevention of the year round," it said.

Really Live in Nature

Elia Waterbury Gardner is author of a poem entitled "Life" that recently appeared in Boys' Life magazine that cites us to nature for an insight into the beautiful things of life. We reproduce it here:

If you get blue and things seem hard,
Just go out in your own dooryard
And hear a robin trill,
And see a flower, until
You feel light-hearted as a singing bard.

Or ride clear up to the very top
Of yonder hill, then park and stop.
Tall mountains rise to view,
Green prairies, blue sky, too.
You'll feel this life-renewing, sturdy prop.

Or better yet, ride up the stream
That roars down canyon walls. You seem
To get its power and thrill.
You drink and drink your fill
Of life. You get its pattern and its theme.

Editorial of the Week

HALT FLOW OF RED INK

It's much easier said than done, but if there was ever a time to cut back on avoidable government spending that time is now. The new fiscal year, which began July 1, is expected to produce a whopping federal treasury deficit.

To eliminate much non-essential spending the government should engage in no activity that private enterprise can handle—usually more ably and economically. The prime example is electric power. The government's investment in power plants runs into the high billions. Since these plants are wholly or largely tax-free, the treasury suffers a loss of more billions.

The government is also a huge lender, banker and insurer; in fact, its list of business type enterprises is virtually endless, with enormous cost to the taxpayer. Urge your legislator to help eliminate much of this senseless, and very costly, competition with private enterprise. Only if government is confined to its proper sphere can we really hope to stop the flow of red ink in Washington. And only if we stop the flow can we ever hope for any substantial reduction in taxes.—Grit Magazine.

RECALLING Other Years

★ Being news items taken from old files of Your Home - Town Newspaper, The Herald.

THIRTY YEARS AGO.

In scanning the files of Your Home Town Paper, we find the following news briefs, taken from the issue of The Hamlin Herald dated September 21, 1938:

TEN YEARS AGO.

Events in the Hamlin community 10 years ago included the following, reprinted from the issue of The Hamlin Herald dated September 17, 1948:

Plans for building a farm-to-market road from Highway 180 at Boyd's Chapel to Neinda are being made by the Texas Highway Commission.

Officials of the Hamlin Memorial Hospitals and citizens of the community were seeking a solution this week to the problem of keeping the hospital open and functioning in the face of pressing indebtedness of \$26,000.

Hamlin High School's Pied Piper football crew opened the season Friday night with a 7 to 7 tie against the strong Stamford Bulldogs.

FIVE YEARS AGO.

Goings-on in the Hamlin community are reflected in the following news briefs, taken from issue of The Hamlin Herald dated September 18, 1953:

West Texas farmers have been assured by Production Marketing Administration that equitable arrangements will be made in acreage allotments, following word of several days ago that acreages in the area would be trimmed.

Work was started last week by a 22-piece band at DePriest Colored School under direction of Walter Chalcraft, high school band director, and Mrs. Gwendolyn Tyiska of the DePriest faculty.

No leads to perpetrators of burglary of the Ferguson Theater Sunday night have been discovered, according to Police Chief J. H. Foster.

ONE YEAR AGO.

News bits from The Hamlin Herald dated September 19, 1957, include the following:

Fairview Baptist Church, seven miles southeast of Hamlin, has been named county winner of the Town and Country Achievement award by the Jones County Baptist Association.

Numerous cases of the flu have been reported in the area during the past several days.

Another teacher has been added to the Hamlin School faculty, making two additional teachers more than last year.

Scores of Hamlin Area Young People Leave for Colleges at Many Points

Young people of college age began streaming out several days ago to various colleges and universities all over the Southwest as they looked forward to work for the ensuing school sessions.

College students numbered nearly 100 from the Hamlin community, reflecting a decided trend for higher education among the adolescents of the region.

After several days of tabulating The Herald came up with the following list of college students who had left for school. The list, of course, may not be complete. If other names have been missed, we would appreciate learning of them so Your Home Town Paper may make mention next week.

The list is given by colleges.

Bob Jones College, Salem, North Carolina—Norma Garrett.

Texas Technological College at Lubbock—Virgil Wilson, Everett Gibson, Joe Stephens, Kline Irvine, Jay Cunningham, Mac Reid, Davy Weaver, Jack Drummond, Irene Putnam, Mr. and Mrs. Don Rose (nee Wynama Hayes), Carl Thompson, Clark Hewitt, Dennis Johnson, Clifford Eoff, George Huling and Don Crowley.

Danny McCurdy Is Named President of Junior Class at HHS

Danny McCurdy was elected as president of the junior class at Hamlin High School when the group met last week in business session.

Called to order by the 1957-58 school year president, Sam Mack Hodges, the juniors elected the following slate of officers: Danny McCurdy, president; Steve Stephens, vice president; Rebecca Ferguson, secretary; Carol Joe Simpson, treasurer; Sam Mack Hodges, reporter.

Class sponsors are T. C. Blankinship and Mrs. Charles Scott. Mrs. Thomas Ferguson, Mrs. V. Shields and Mrs. Benny Ford were named as class sponsors.

Brenda Finannon and Ken Prewitt were selected as class favorites. The Piper Queen nominee is Rebecca Ferguson, and ladies-in-waiting are Martha Gage and Joyce Gray.

Class colors are aqua and white, and the flower is the red rose, it was decided.

New School Board Member Will Be Named Next Week

New member of the board of trustees for the Hamlin Independent School District is expected to be named at the next meeting of the board, probably next Monday, according to board officials. The appointee will fill the unexpired three-year term of Noel (Duck) Weaver, who resigned recently.

Weaver submitted the following statement to The Herald:

To the people of the Hamlin school district: I would like you to know it has been a pleasure to serve on your school board for the past six and one-half years. I feel honored to have been chosen by you to do this service. The cooperation, loyalty, respect and ability of each administrator, teacher and everyone employed by our school system has made the job much easier and a pleasure.

Certainly we have had difficult decisions to make, but I want you to know that you and your interests as patrons and taxpayers are first considerations of the board.

You have a fine group of men serving on your school board. Strong, efficient boards make good schools. Let me remind you that you have put your confidence in our schools to mold your children into the citizens of tomorrow. May I urge you to take interest in your schools.

For your confidence in me and for your loyalty and cooperation may I say thank you. It has been a pleasure to serve you.

WINS PERFUME AWARD.

Mrs. Burt Oliver, 845 North-west Third Street, was announced this week as the winner of a purse of \$100.00 in the "Mr. John" perfume in the new "Suburbia" fragrance, one of the second prizes in the Maryland Club coffee contest held here recently.

WILL SUCCESS SPOIL TAMI?—Tamesha (Tami) Kelly, 18, of Austin is playing the role of Rita Marlowe in the Austin Civic Theater production of "Will Success Spoil Rock Hunter?" Tami was selected for the part because she seems to fill the shoes—and other apparel—of Jayne Mansfield, another Texas beauty, who skyrocketed to fame in the Broadway production of the play. Tami's dimensions are 37, 22, 36½ compared to Jayne's 40, 25, 35½.

Star-Telegram Offers Temporary Bargain

Definite prediction of a raise in the bargain days rate on The Fort Worth Star-Telegram subscriptions within the next 30 days was announced by that daily in a release this week to The Herald, which handles mail subscriptions.

However, until October 1 only The Herald is permitted to take new and renewal subscriptions at the old bargain rate of \$13.95 for seven days and \$12.60 for six days. In combination with The Herald subscriptions will be further reduced to \$15.95 for seven days and The Herald and \$14.60 for six days and The Herald.

These rates are good until October 1 only, so we urge you to send or bring in your subs now.

Any man who will look into his heart and honestly write what he sees there will find plenty of readers.—Edgar W. Howe.

Baptists of County Give Progressive Reports at Confab

Glowing reports of progress by the 29 Southern Baptist Convention churches of Jones County during the past year were given Tuesday at the annual meeting of the Jones County Baptist Association at the First Baptist Church in Stamford. Rev. J. N. Eastwood of Anson, was moderator and presided at the sessions that opened at 9:30 a. m. and continued throughout the day.

Dr. R. H. Dilday of Dallas, Baptist state Training Union secretary, spoke Tuesday morning at 11:30. Other speakers of the day included: J. M. Lunsford of Beeville, who spoke on the Baptist orphans' homes; Dr. Billy Smith of Hardin-Simmons University at Abilene, who spoke on Christian education; and Chaplain Charles Myers of Hendrick Memorial Hospital, whose subject was "Our Hospital Ministry." Rev. L. L. Trot of Abilene, district missions secretary, who talked on "On the March."

Mrs. N. I. Williams of Lueders, treasurer of the Lueders Baptist Encampment and wife of the manager, talked on the Lueders Baptist Encampment.

Theme of the gathering was "Onward, Upward, Outward." Reports were given by associational officers, with Rev. Milton Thompson of Hawley giving evangelism; Mrs. Milton Thompson, WMU; Mrs. W. T. Gambill of Stamford, Training Union; Biddy Wrinkle of Stamford, cooperative program; Rev. Calvin Bailey of Hamlin, Sunday School; Rev. Jesse Swindell of Stith, obituaries; and Lewis Timberlake of Stamford, Brotherhood.

NURSE NAME MISSED.

The name of Mrs. Leona Teichelman was inadvertently omitted from the list of Hamlin women who recently completed a year's training under the vocational nurse's training course at Hamlin Memorial Hospital. She passed the state board and now is a licensed vocational nurse.

Heavy Cattle Runs Fail to Materialize At Major Markets and Prices Steady

Fears expressed in the trade last week that excessive runs of cattle and calves might arrive at points around the major marketing circle proved unfounded Monday, declares Ted Goudly, special market reporter for The Herald, in his weekly market summary. His release continues: The 12 major markets showed over 14,000 fewer cattle and calves, although Fort Worth had nearly 10 per cent more.

Trade developed along active lines on most cattle and calves at all points, although the feeder cattle trade was inclined to shy away from heavyweight yearlings and feeders unless some concessions in price were accomplished. Stocker cattle and calves suitable for pasture purposes were in broad demand at all points.

At Fort Worth the stocker trade was very active and again there were both large and small stockmen from all over the Southwest seeking replacement cattle and calves. Cattle and calves were active and fully steady with some sales on calves strong to 50 cents above the low close of last week. Fed steers and heifers were in small supply and sold at firm rates. Cows and bulls were active at strong prices throughout.

Good to choice slaughter steers and yearlings bulked at \$24 to \$26.50, and medium to lower grades cashed at \$18 to \$24. Fat cows sold mostly at \$18 to \$21, a few heiferish kinds higher. Canners and cutters sold for \$13 to \$18. Bulls brought \$18 to \$22 in most sales, odd head outside that range.

Good to choice slaughter calves cashed at \$24 to \$26.75, and a few to \$27. Common and medium slaughter calves drew \$18 to \$23, and culls sold at \$16 to \$18. Medium and good stocker steer calves ranged from \$28 to \$33, and common to medium sorts cashed at \$20 to \$27. Stocker heifer calves ranged downward from \$30. Stocker steer yearlings of medium to good grades sold from \$20 to \$25, and some lightweights drew \$26 to \$27. A few medium to fairly good stocker cows sold from \$18 to \$20.

Trade on butcher hogs was 25 cents higher, and packer hogs sold 25 to mostly 50 cents higher at Fort Worth Monday. Local supplies follow the same pattern as the Monday receipts around the major market circle and were below expectations.

Top hogs scored \$21.25 to \$21.50 and medium to good kinds cashed at \$20 to \$21. Sows sold from \$18.50 to \$21, as the sausage makers scurried around after the limited supply. A few stags drew \$12 to \$15. A few pigs sold from \$15 to \$18. Odd hogs cashed in the \$8 to \$9 range.

Despite being in negligible supply, packer types of lambs were weak to 50 cents or more lower at Fort Worth Monday. Packers displayed little interest and feeder buyers were active at firm prices. Hence, the bulk of the offerings was sold as replacement lambs.

Stocker sheep found strong prices, quality considered. Slaughter classes of sheep and goats also were firm.

Slaughter lambs were dull and weak to 50 cents or more lower. The trade was lacking an adequate test on fat lambs, as most offerings were mixed fat and feeder lambs and the feeder prices usually outstripped packer offers except on culls.

Medium to good fat lambs drew \$18 to \$20, and cull to medium lambs drew \$12 to \$18. Stocker and feeder lambs sold from \$19 to \$21, a few buck lambs around \$16 to \$18. Slaughter ewes sold from \$7 to \$8. Fat goats sold at \$7, with light canners at \$6 and a few billies at \$5. Kid goats sold at \$10 to \$11.

Solid mouthed stocker ewes sold at \$15 to \$16 per head and yearling, two-year-old and three-year-old ewes sold from \$18 to \$21.

Durwood Boyd Made President of FFA Unit

Durwood Boyd, son of Mr. and Mrs. B. I. Boyd, was elected president of the Hamlin High School chapter of Future Farmers of America in a meeting Wednesday of the group.

Other officers elected were: Clyde Hodnett, vice president; Bob Murff, secretary; Joe Ford, treasurer; Ray Johnson Jr., reporter; and Lynn Wright, sentinel.

Advisor for the FFA chapter is T. C. Blankinship.

ported that headway is being made for the projects. Window decoration awards will be offered, Santa Claus will be arranged for to bring kids of the area candy or other goodies, and possibly other projects. Of course, the usual street lighting will be arranged.

On the Christmas project committee are John C. Bryant, Gene Prewitt, Joe Hudspheth and Fred Smith.

Third Sunday Singing Set at Calvary Church

Regular third Sunday singing for singers and song lovers of Jones County will be held September 21 at Calvary Baptist Church in Hamlin on South Central Avenue, announce promoters of the monthly gathering.

Singing will get underway at 2:00 o'clock. The public is invited to attend the songfest.

Peggy Briscoe and W. H. Hallmark Jr. Repeat Marriage Vows in Church Rites

Peggy Joyce Briscoe and William Hugh Hallmark Jr. repeated marriage vows Saturday evening, September 7, in the First Baptist Church. The pastor, Rev. Calvin Bailey, officiated for the rituals.

The bride is the daughter of Mr. and Mrs. Floyd Briscoe, and young Hallmark's parents are Mr. and Mrs. W. H. Hallmark Sr.

The church was decorated with white gladiolus and greenery. Mrs. Henry Albritton played wedding music and accompanied Mrs. Clyde Lewis, soloist.

Maid-of-honor was Alicia Greiner of Breckenridge, and bridesmaids were Lusara Cowan of Denton, Mary Ward of Dallas and Betty Jo Sternberg of Marshall.

They were matching dresses of cobalt blue taffeta designed with princess lines and boat necklines accented in back by a drape falling to the hemlines. Their hair was fashioned of white net and trimmed with velvet ribbons the color of their dresses. They carried white lace fans centered with red roses and white streamers.

Jerry Briscoe, brother of the bride, was best man. Candelights were David Cowan of Denton and Clifford Eoff. Ushers were Joe Cowan and Dwight Wallace, and they also served as groomsmen.

Flower girls were Donna Gwyn Hallmark, sister of the bride.

RETURNING FROM HONEYMOON in Colorado this week were Mr. and Mrs. W. H. Hallmark Jr. and they are home at 1421 Locust Street in Denton. The couple was married September 6 at the First Baptist Church. The bride (above) is the former Peggy Joyce Briscoe. She will enter North Texas State College at Denton next week.

Church Reception For Briscoe-Hallmark Wedding Party Held

Following the Briscoe-Hallmark wedding Saturday evening at the First Baptist Church, a reception was held in the fellowship hall at the church.

Members of the house party were Mmes. Joe League, D. W. Cowan, W. O. Willbanks, F. T. Wallace, Don Hymer, W. C. Lockhart, Everett Gibson, Ned Moore, Eddie Jay, John Corley, J. T. Cox, Faye Dean, Jerry Rollis, H. R. Daniell and Ivy Myers, and Misses Reba Roland and Mary Ann Willbanks.

For a wedding trip to Colorado the bride wore a cobalt blue suit with matching accessories and the orchid from her bouquet.

After September 15 the couple will be at home at 1421 Locust Street in Denton.

Rehearsal dinner for the wedding party was hosted Friday evening by the bridegroom's parent in the home of Mr. and Mrs. W. W. Wallace.

Pied Pipers Meet Merkel in First Home Grid Game Friday

Hamlin Doped to Beat Badgers on Local Gridiron

With two victories already hanging from their belts for the season, the Merkel Badgers invade the Pied Piper sanctum tomorrow (Friday) evening for their third encounter and the first home tilt for the Hamlin that is expected to attract a record crowd for the opening at home.

Coach Carroll Benson's Badgers, long time foes of the Pied Pipers, are doped to go down in this game against the home boys, although it will be a tough encounter for both crews.

Merkel defeated Stanton 46 to 8 in the season opener, and last Friday night laced Rotan 24 to 12. All three of those teams in in Class A football.

Coach D. C. Andrews declares that, although some of the Pied Pipers are nursing minor injuries from the Spur Bulldog fray Friday night they should be in good form for Friday night's fracas here.

PLAYING IT SAFE.
Two small boys were waiting to cross a street in heavy traffic. One said, "Come on, let's go!" "No," said the other. "Let's wait for an empty space to come along."

Don Latham Leads McCaulley to 53 to 6 Victory Over Goree

Don Latham was the sparkplug of the McCaulley High School Eagle six-man football squad Friday night when they lambasted the Goree crew 53 to 6 in a tilt played on the McCaulley grid. Latham scored three touchdowns and booted five extra points for a total of 21 points for the evening.

Other McCaulley scorers included Tommy Howry, Fred Hampton and Stacy Mathis. Mathis scored two touchdowns and scored one extra point. Jimmy Jeffreys accounted for Goree's touchdown.

If taxes aren't cut pretty soon people may be forced to marry for love.

Pied Pipers Drop Second Game to Spur Crew 28 to 18

As feared by the local coaches before game time, and secretly predicted by The Herald (and not doped by a leading daily in the area), Hamlin High School's Pied Pipers dropped their second football game of the season to a strong and aggressive bunch of Spur Bulldogs in the latter's own back yard Friday night by a 28 to 18 count.

The game was a tough one from the start, and Speedy Joe Copeland was just too much for the locals to cope with. Copeland accounted for all four Bulldog touchdowns, and also was a stand-out on defense.

Copeland scored in the first, third and fourth periods to keep the Bulldogs in command of the game all the way. Each of the markers was on a short run, he going over from the six in the first, one in the second, three in the fourth and five also in the fourth period. Ken Suits ran over two points and Freddie Walker passed to Woody McArthur for two more extra points.

John Richey went over from the one-yard spot in the second quarter for the Pied Pipers. Fullback Gene Murff tossed a pass to Tobe Shields that was good for 14 yards and the second Hamlin touchdown. Big Roy Williams, kicking to Spur, raced down the field and fell on his own punt after the kick was blocked in the Spur end zone for the third touchdown for the evening for the Pied Pipers.

Other McCaulley scorers included Tommy Howry, Fred Hampton and Stacy Mathis. Mathis scored two touchdowns and scored one extra point. Jimmy Jeffreys accounted for Goree's touchdown.

Hamlin B Crew Beats Haskell 48-6 In First Encounter

Coach Nell Laminack's Hamlin High School B squad got their season off to a good start last Thursday night on the Pied Piper gridiron with a resounding 48 to 6 defeat of the Bs from Haskell High School. A fairly good sized crowd of fans from the two towns witnessed the fracas.

Haskell kicked off first and before five minutes had elapsed Bill Richey charged across the goal line for the first touchdown for Hamlin of the B season. Four or five minutes later the ball was recovered and Jody Ford went down for a touchdown. It was talled back for a clipping penalty. Ford was not let down by that and came right back to make the second official touchdown.

In the second quarter Ford was getting the touchdown feeling and ran the third TD. About halfway in the second quarter Haskell waked up and made their first marker. Stanley Austin didn't like that and topped them with a spectacular pass to Gerald McCannies, finished over with Jimmy Cooper making the extra point.

Peanut Boatright didn't want to be left out of the game and made a touchdown on a right end sweep, and made the extra point also.

In the second half Haskell came into the game with an excellent passing offense, but to no avail. Jimmy Cooper wasn't going to let Haskell outdo Hamlin, so he blasted over the goal line with Hamlin's sixth touchdown.

Rayford Williams intercepted a pass, turning the ball over to the Piper Bs. The squad knew they might as well make a score while they had the ball. Jody Ford went to his favorite line—the goal line—for his third marker of the encounter. —(Reported by Jerry Duncan)

Prisons Have Own Rough Riders in October's Rodeo

While the spotlight of the twenty-seventh annual Texas Prison Rodeo will be on five of the nation's top television and singing stars, 10,500 inmates of the Texas Department of Corrections want rodeo fans to know they will have some "stars of our own" in the limelight each Sunday in October.

Albert Moore, veteran prison rodeo director, announced that, in addition to inmate cowboys who have proven their ability in the arena during the past few years, there will be a number of new faces whose performances may surprise the "experts."

"Because of the way we get up our rodeo," Moore commented, "it's hard to predict what will happen as has been proven in past shows. Just about the time things may seem a bit dull, someone comes out of a chute to give fans the thrill of their lives."

Moore pointed out that the reason the prison rodeo is rough and tough is the fact that inmates get only two practice try-outs before the rodeo on prison rodeo stock brought in from the prison's several farm units.

Since inmate performers know that the success of the rodeo means more funds for their welfare program, they don't "spare the horses or bulls" to make every effort to please the crowds.

This year's top flight stars to make personal benefit appearances at the rodeo include Richard Boone on October 5, Dale Robertson on October 12, Ward Bond on October 19, and Robert Culp and Tommy Sands on October 26.

Reserved seat tickets, at \$2.40 and \$4.40 each, may be purchased in advance by writing the Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

Petrofina to Broadcast Professional Games

American Petrofina Company of Texas will again co-sponsor professional football telecasts this fall. J. M. Chea Jr., vice president for marketing, has announced. This will mark the fifth year that American Petrofina, or its predecessor company, has co-sponsored professional football telecasts.

Fifteen games will be telecast over the Columbia Broadcasting System through 11 Texas outlets and Albuquerque, New Mexico. The first telecast will be September 28 in a game between the New York Giants and the Chicago Cardinals. The games will be seen in this area over KPAR-TV.

IT WON'T BE LONG before Southwest Conference football broadcasts will fill the air in Texas for the twenty-fifth year. Here two of Humble's top announcers, Kern Tips (left) and Alec Chesser, are being brought up-to-date on formations and plays by the University of Texas' head coach, Darrell Royal. Many Hamlin area fans are regular listeners to the Southwest Conference broadcasts every Saturday.

Firemen Will Direct Game Traffic Again

Members of the Hamlin Volunteer Fire Department will again direct parking of cars at the Pied Piper stadium at all home games during the football season, it is announced this week by Superintendent of Schools C. F. Cook. First home game will be tomorrow (Friday) night.

Cook declares this public service is much appreciated by school authorities, and he urges expressions of thanks by citizens generally to members of the fire department.

Booster Club Gives \$250 for Grid Camp

Members of the Pied Piper Booster Club, at their regular weekly meeting Monday evening at the high school cafeteria, voted to pay \$250 toward the expense of the recent pre-season football camp conducted at Pied Piper stadium.

Expenses of the camp, which cannot be borne from the regular school funds, amounted to \$399, school officials announce. Further assistance from other sources has been promised. Superintendent of Schools C. F. Cook told The Herald this week.

District 6-AA Football Crews Again Win Three and Lose Two Tilts Friday

District 6-AA football crews repeated their first week's performance by winning three and losing two of their week-end encounters, all of them non-conference affairs, of course.

Stamford continued its march with a 38 to 6 victory over the Ballinger Bearcats. Haskell defeated Olney 14 to 0, and Seymour laced Munday 39 to 6. Hamlin and Anson were losers for the week-end slate, Hamlin going down 28 to 18 before Spur, and Winters measuring Anson 12 to 7.

Stamford's Bulldogs rolled up 448 yards rushing to only 27 for Ballinger as they again proved they will be strong district championship tender. Donald Davis led Stamford's scoring spree with three touchdowns. Tab Bunkley went over twice on passes and Upshaw and Mark Henson scored the other tallies. Ken Wigginton made Ballinger's lone touchdown.

The Seymour Panthers, defending district champions, found the going fairly easy in their 39 to 6 defeat of the Munday Moguls on the Seymour grid. Travis Clark made two touchdowns for Seymour. Eldon Belch went 18 yards for a counter, Billy Carlock raced 75 yards on a punt return, Joe Chandlers went 36 yards for a marker, and Billy McLarty ran 28 yards to pay dirt for the final touchdown. Fullback Phillip McAfee made Munday's lone score in the final period on a 10-yard run.

Haskell Indians salted away their game with the Olney Cubs Friday night early in the first quarter with two touchdowns and ran two extra points for a 14 to 0 victory on the Olney field. Tom Anderson, Haskell fullback, ran 17 yards for the first Haskell marker, then got two points with

a run after touchdown. Halfback C. O. Holt returned a punt for 85 yards for the second marker. The Olney defense braced and the Indians were through for the night affairs, of course.

Hamlin's Pied Piper gridders lost a heart-breaking non-district tussle Friday night to a strong Spur Bulldog squad led by Joe Copeland, who accounted for all four touchdowns, to the tune of 28 to 18. It was their second tilt of the season. Copeland scored in the first, third and fourth quarters to keep the Bulldogs ahead all of the way. Ken Suits ran over two points and Freddie Walker passed to Woody McArthur for two more. John Richey and Tobe Shields scored for Hamlin, and big Roy Williams fell on his own blocked punt in the Spur end zone for the third touchdown for Hamlin.

Winters' Blizzards found relief from their last week's loss to Crowell with a 12 to 7 defeat of the Anson Tigers Friday night on the Winters griddle. Winters made 13 first downs to eight for Anson, and the two teams racked up about the same yardage in rushing. Winters making 191 and Anson 188. Charles Currey scored for Winters at the end of the first quarter on a quarterback sneak. Jimmy Largent passed to Ricky Grissom for the second Blizzard score. Ronnie Ryan tallied Anson's touchdown on a 75-yard run in the third period, and Delbert Wilson booted the extra point.

Anson Invites Area Folks to Western Party Wednesday

Anson is throwing out a big welcome mat to all residents of Hamlin and vicinity to come over next Wednesday, September 24, for a real Western party which will include stage coach rides, a parade, anvil salute, street dance, a historical film, a barbecue and museum exhibits.

The occasion is an overnight stop of the Butterfield overland mail caravan which has selected Anson as the ninth "corral" stop of the unique journey from Tipton, Missouri, to San Francisco, California, re-enacting events of the early day mail route through this area.

The caravan is slated to arrive in Anson at 1:00 o'clock Wednesday afternoon and depart Thursday morning at 8:30 after making a mail pick-up at the Anson post office. A welcoming delegation will start hostilities by meeting the caravan at the junction of Highway 83 and 1193 for a side trip to the site of old Fort Phantom Hill between 11:00 and 12:00 o'clock.

Local entertainment will start with a street parade in which the Hamlin High School Band Hamlin Riding Club have been invited to participate. Caravan exhibits will be set up on the parking lot south-east of the square at 4:00 o'clock.

A barbecue supper will be served on the southeast corner of the square from 5:30 till 7:00 o'clock.

A film, depicting the colorful history of the Butterfield mail route, will be shown at the Anson High School auditorium starting at 7:00 o'clock, and an old-time community street dance is slated to start at 8:30. The street on the east side of the courthouse will be roped off for the dance, and music will be furnished by Popcorn and his Band.

Estimated Four from County to Be Called By Draft in October

An estimated four draftees from Jones County will be called into the service during the month of October. The state quota for Texas draft boards in October calls for 564 men, Colonel Morris S. Schwartz, state selective service director, said Friday.

The state's October call of 564 compares with a quota of 573 for September, previously announced. The October call is the state's share of a national quota of 11,000 men, all for the Army.

The state director of selective service also announced that 1,824 men were scheduled to take pre-induction mental and physical examinations in October.

The September quota will be met with men who are at least 18 years old on October 1, with a portion of volunteers or delinquents, who may be younger.

Reservists and National Guardsmen also may be called up during the month, in accordance with law and regulation. If they do participate satisfactorily in their units.

Recent Rains Make Fall Gardens Timely in Hamlin Territory

Recent rains have provided the moisture needed for soil preparation and the planting of fall gardens, says Blueford Hancock, extension horticulturist. If planted now snap beans, lima beans, squash and the leafy green vegetables should produce good crops before frost.

Soil should be prepared now for later plantings of turnips, kale, collards, swiss chard and broccoli, says the specialist. He recommends disking two or three times to form a smooth, firm seedbed. If only a small area is to be planted, he says a hand rake can be used to smooth the seedbed. Because most vegetable seed are small, it is necessary to break up clods and plant them in a firm smooth bed in order to obtain a good stand.

Vegetables planted now will insure a good supply through the late fall and winter months and provide the family with the green and leafy vegetables they need for a good diet, says Hancock.

The specialist advises those who may desire more information on fall and winter gardening problems to visit the local county extension agents for advice and free publications.

Consistent Traffic Safety Habits for Pedestrians Urged

As Texas enters the final quarter of 1958, increasing pressure is being applied by safety organizations in urging consistent traffic safety habits on the part of the general public.

"The keystone in any safety program is the responsibility of the individual," J. O. Musick, general manager of the Texas Safety Association, said in his Austin office this week.

"Each man is his brother's keeper." This Christian principle goes hand in hand with the natural instinct for self preservation," Musick said. "If the carelessness of an individual provokes an accident—to himself or another—he is a moral transgressor just as surely as if the act had been intentional."

Musick said too many pedestrians take their safety obligations lightly, thereby adding to the alarmingly high traffic toll each year.

"It is much easier to prevent an accident than to experience one. So, today is the time for each of us to take a critical look at our own traffic safety habits," Musick suggested.

He offered the following safe walking rules as a guide to sensible pedestrian behavior:

1. Cross streets carefully and only at intersections, or in specially designated crosswalks.
2. Never walk into the street from behind parked cars.
3. Obey traffic signs and signals; cross on green or walk lights only.
4. Wait on sidewalk, not in street, for light signals to change.
5. Look left and right for traffic while crossing. Beware of turning cars.
6. Do not go around a bus or street car, front or rear, after alighting from it. Wait until it leaves before crossing a street.
7. Do not rely on a driver seeing you on poorly lighted streets or on roadways at night. Carry a flashlight and wear light colored or reflective clothing.
8. Always walk so that you face traffic in areas where there are no sidewalks.

P.T.A. Will Sponsor Sales of Magazines

The Hamlin School Parent-Teacher Association will again sponsor the annual sale of magazines in the Hamlin community this year, it is announced by P.T.A. officials this week.

The campaign will be conducted from October 10 through 20. People of the community are urged by P.T.A. leaders to hold their new and renewal magazine subscriptions for solicitors for the school group.

Producers Get \$5.44 For Milk in August

During August handlers regulated by the Central West Texas federal order sold an average of 371,472 pounds of Class I milk per day, which was .94 per cent more than the daily sales during July but was 5.34 per cent less than during August, 1957. All of this decline from a year earlier can be attributed to decreased in-area sales, as out-of-area sales increased slightly.

Number of producers during August, which included a number in the territory south of Hamlin, was 527 compared to 541 during July and 654 during August, 1957. The average daily delivery per producer during August this year was 809 pounds compared to 794 pounds during July and 615 pounds during August, 1957.

Minimum uniform price to be paid for 4.0 per cent milk during August is \$5.44 per 100 pounds.

Bargain Combination Sub Rate Announced By Hamlin Herald

Fall bargain rates are being announced this week by The Herald and The Abilene Reporter-News on new and renewal subscriptions.

The Herald, in the face of increased costs of publication that have almost doubled during the past six or eight years, will continue to sell for \$2.50 per year in Jones and adjoining counties, and \$3 elsewhere.

In combination with The Abilene Reporter-News subscribers can save \$1 on the daily and Your Home Town Paper. Both papers will be sent by mail for \$14.45. The Reporter-News by itself is \$12.95 (\$11.95 without Sunday).

The Herald will be glad to handle all daily newspaper subscriptions in combination with The Herald at a decided saving.

Dove Hunting Good in Hamlin Vicinity

Dove hunting has been good in the Hamlin territory since the new season opened Monday of last week, according to nimrods who have been out after the fleet birds.

There is a plentiful supply of doves this year, as feed, water and cover have been good for propagation of the birds in most areas.

Mac Reid's Hogs Win At West Texas Fair

Mac Reid, former Hamlin High School student and member of the Hamlin Future Farmers of America chapter, showed a Hampshire boar to the grand championship in its class this week at the West Texas Fair in Abilene.

A Hampshire female also exhibited by young Reid took third place in her class.

Open House Slated For Band Prospects

Hamlin High School Pied Piper Band has room for expansion in numbers, it is announced this week by Mac Fullerton, director.

Fullerton says that an open house will be held in the band hall in the new gymnasium for prospective band pupils and their parents this (Thursday) afternoon and evening from 3:30 until 10:00 o'clock. Everyone interested in phases of band work is invited to attend.

Mr. and Mrs. Buddy O'Neal of Lubbock are this week enjoying an expense-paid trip to Nassau with winners in the GE sales contests recently completed. O'Neal, former Hamlin boy and son of Mr. and Mrs. John O'Neal of Hamlin, is sales counselor for GE in the Lubbock territory.

Church Musicians Present Program At Lions Meeting

Members and guests of the Hamlin Lions Club were delightfully entertained at the regular Tuesday noon luncheon of the club group at the oil mill guest house with musical duets by Rev. and Mrs. Gene Moore, newcomers to Hamlin. Rev. Moore is the new pastor of Faith Methodist Church, and she is teaching in the Hamlin schools.

The couple sang "We Belong to the Mutual Admiration Society," "Ivy Rose," "If You Believe," "I Walked Today Where Jesus Walked" and "My God and I." Mrs. J. W. McCrary, Lions pianist, accompanied them.

First Vice President Donley Williams presided at the Tuesday session in the absence of Acting President B. V. Newberry.

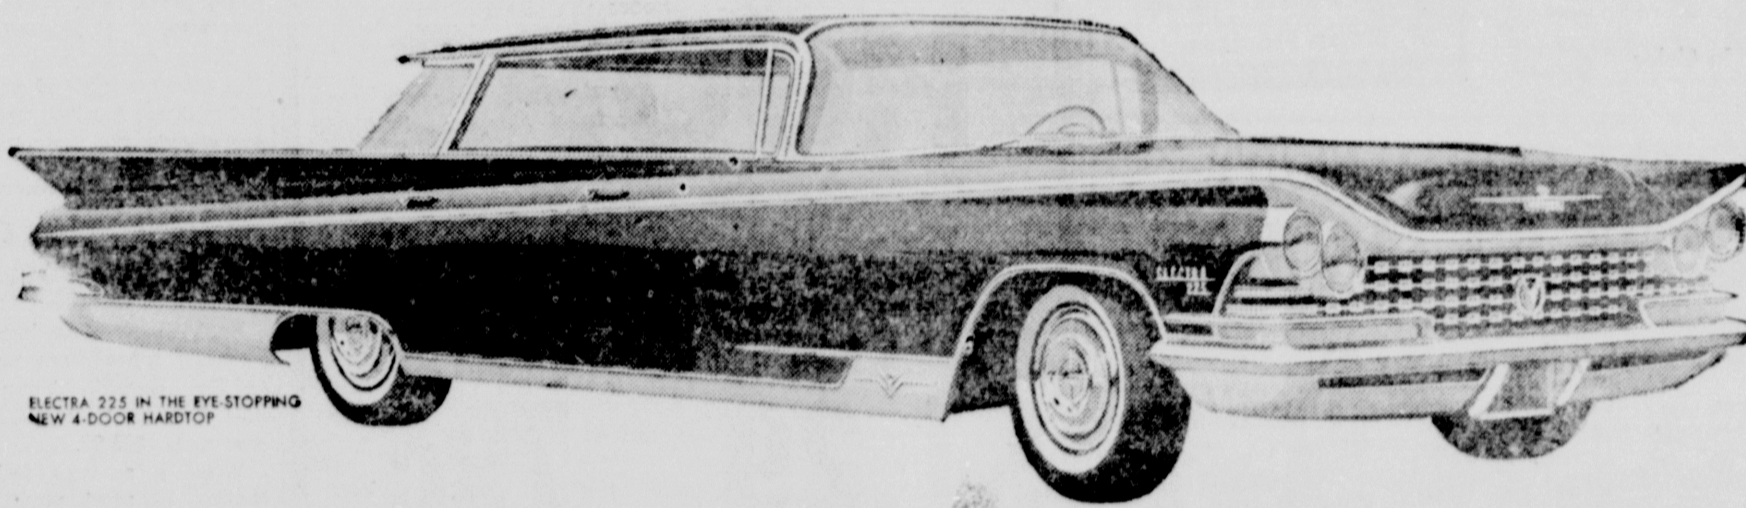

Besides the program principals, other guests at the Tuesday meeting were Rev. R. T. Jarrell, new pastor of the Hamlin Church of the Nazarene; Charles Sheffield of Rotan; Tom Hogan, C. F. Cook and J. B. Jayroe.

GO TO MULLEN RITES.

Rev. and Mrs. G. C. Henry were called to Mullen last Wednesday on account of the death of Mrs. Henry's brother, G. O. Baskin. He was 84 years of age. Funeral services were conducted Thursday afternoon.

Walt Disney Again Uses Early Day Theme for Film

Walt Disney again turns to an early American theme, the Indians vs. the settlers in pre-revolutionary days, in this splendidly cast, handsomely produced adventure film, "The Light in the Forest," which plays Sunday, Monday and Tuesday at the Ferguson Theater. The picture should appeal to youngsters and adults alike.

Like the enormously popular "Old Yeller," this has Fess Parker, Indian fights and wild life for the kiddies, plus two attractive newcomers, James MacArthur and Carol Lynley, in romantic roles to draw the teen-age trade, and Joanne Dru and Wendell Corey as marriage names for adults.

Directed by Hershel Daugherty from the novel by Conrad Richter, the picture captures the spirit of the American frontier days so well that most of the actors seem like the real life characters. The Tennessee mountains locale, beautifully photographed in technicolor, has a truly primeval appearance. As brought out in both the action and dialog, whites as well as Indians exhibit good or evil traits.

Young MacArthur, who made his screen debut in "The Young Stranger," wins sympathy and credibility as the teen-age hero torn between conflicting modes of life, and the pretty Miss Lynley is appealing as the shy bondswoman who loves him. Outstanding in support are Jessica Tandy as the boy's white mother, and Joseph Calleia as the wise old Indian chief.

Big Loan Authorized For Stamford REA

Rural Electrification Administration at Washington has approved a loan for the Stamford Electric Cooperative in amount of \$1,081,000, according to a telegram to The Herald from Congressman Omar Burleson.

The new loan will provide for improvements for the cooperative in Jones, Shackelford and Fisher Counties that will extend electric service to 530 new members, the telegram asserts.

Final Rituals for Koin Garrett, 77, Held Wednesday

Funeral services were to have been conducted Wednesday afternoon at 3:00 o'clock at the Hamlin Church of the Nazarene for Koin Garrett, 77-year-old Hamlin resident, who died at 11:15 p. m. Monday at the family residence, 131 Southwest Fifth Street, after a heart attack. He had been ill for about four months.

The pioneer was born at San Marcos on August 16, 1881, as the son of Mr. and Mrs. Thomas J. Garrett. He married the former Mantie Woods at Dripping Springs on February 8, 1903. The couple moved to Hamlin community in 1913 from Bangs. He was a member of the Methodist Church.

Officiating at final rites were Rev. R. T. Jarrell, Nazarene pastor; Rev. W. S. Hanna of Fort Worth, former pastor here; and Rev. John Holland, pastor of the Foursquare Gospel Church.

Interment was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Jess Miller, Glenn Williams, J. D. Hall, Paul Carlan, Bill Maynard and Jess Corey.

Surviving the pioneer are the widow, Mrs. Koin Garrett; five sons, Truman and Odell Garrett of Hamlin, R. C. Garrett of Snyder, J. W. Garrett of Hamlin and Douglas Garrett of Sweetwater; four daughters, Mrs. Buster Gunn of Eldorado, Mrs. Cleo Macon of Stamford, Mrs. Ralph Roseman of Long Beach, California, and Mrs. Clifford Carlan of Hamlin; five brothers, Ellie Garrett of Bryan, Eugene and Walker Garrett of Houston, Jim Garrett of Palmdale, California, and John Garrett of San Marcos; two sisters, Mrs. Jennie Collier and Mrs. Dovie Crapps of San Antonio; 19 grandchildren and six great-grandchildren.

Methodist Men Go to Aspermont Meeting

Several men from the Methodist churches of Hamlin went Tuesday evening to Aspermont to attend a sub-district meeting of Methodist Men.

Supper was served by the Aspermont church men, and Pastor Edmund W. Robb of the Hamlin First Methodist Church was the speaker for the evening.

ANOTHER WALT DISNEY CLASSIC using an early American theme, "The Light in the Forest," will be the feature picture Sunday, Monday and Tuesday at the Ferguson Theater. Like "Old Yeller" that proved to be so popular several weeks ago, the technicolor film features Fess Parker, along with Wendell Corey, Joanne Dru, James MacArthur and introduces Carol Lynley.

Social Security Payments to People of Section to Be Automatically Increased

The more than 17,000 persons in the district now receiving social security checks will get an automatic increase of about seven percent on the checks to be mailed our early in February, according to R. R. Tuley Jr., district manager. There is no need for any of them to write or call at their social security office to get that increase.

However, Tuley says, "I know there are several hundred others in this district who will need to talk with a social security representative in order to get benefits started to them. For the quickest and most efficient way to start that action, he suggests that a card or letter be written to him, at P. O. Box 5168, Abilene, briefly outlining the situation below which applies to a particular individual or family.

1. Certain dependents or persons now receiving disability insurance payments can now qualify for monthly benefits, if these are wives at age 62, dependent husbands at age 65 and unmarried children under 18 or disabled children who have been disabled before age 18.

2. Persons whose disability claims (either for benefits or the freeze) were previously denied only because they did not have one and one-half years of social security

credits in the three-year period just before becoming disabled.

3. Disabled adult children whose claims were previously denied solely because the were not receiving at last one-half of their support from the retired or deceased parent.

4. Dependent parents whose claims or inquiries were previously denied only because the deceased son or daughter was survived by a widow, widower or child who could possibly be entitled to benefits.

5. Anyone whose social security checks were stopped because of marriage, if he or she married a person who was also receiving social security checks.

Tuley suggests interested persons first write his office about possible benefits so that a mutually convenient interview time may be arranged, either at his office or with a representative of his office on one of his future visits to this county.

For more detailed information on the above changes, Tuley invites readers to write him for a copy of free Leaflet No. 1958-1. Those wanting just the changes in the disability provisions should ask for Leaflet No. 1958-2.

Class Mothers Named By Seniors at HHS

Water Conditions of Territory During August Reflect Below-Normal Rains

Water conditions of the Hamlin territory for August reflect the lack of rain during mid-summer according to tabulations of the monthly water conditions report released this week to The Herald by the Texas Board of Water Engineers.

Rainfall was below normal for the area, and reserves of surface water, likewise, were down some from a year ago. For example, Paint Creek Lake, northeast of Stamford, from which Stamford and Hamlin get most of their domestic water supply, held only 70 per cent of conservation capacity compared with 78 per cent a year ago. Other lakes in the region also were generally down from the August, 1957, level, but were not in precarious position. Rains since the report was prepared have filled several of the reservoirs.

Highlights from the lengthy water conditions report of interest to people in the territory are reproduced below:

According to a statement released by the United States Geological Survey streamflow was about equal to the usually expected seasonal flows across the state except in scattered areas where moderate rises occurred following thunderstorms and in the lower Neches, Trinity, Colorado and Brazos Rivers, where most of the flow was sustained by releases from up-river reservoirs.

Total usable water in major Texas reservoirs declined 345,390 acre feet during August to some 8,927,920 acre feet, which is 88 per cent of conservation capacity. Total water in storage, which includes temporary storage of water in flood areas, was 10,298,590 acre feet or less than half of the total storage capacity.

Water level declines in selected observation wells in San Antonio, Alief, Pasadena, Atascosa County and Travis County ranged from 0.7 foot to 5.5 feet during August. Observation wells in El Paso, Uvalde and the Winter Garden area near LaPryor recorded rises of water level of .07 foot to 4.6 feet. New lows were set for the month of August in the El Paso area well and in the Travis County near Buda well, and new all-time lows were set in the Harris County wells at Alief and Pasadena.

Showers and thunderstorms accounted for all the rainfall during August, according to a survey just completed by the U. S. Weather Bureau state climatologist at Austin. Locally heavy rains up to seven inches fell in North Central and East Texas. More than two inches fell in the Trans-Pecos and Edwards Plateau.

By gauging stations over the state rainfall for August (first column), normal for August (second column) and total for the year are given below:

Station	Aug.	Normal	Year's
	Fall	Fall	Total
Abilene	2.08	1.09	18.80

REV. G. C. HENRY, pastor of Calvary Baptist Church in Hamlin, last week was telling a yarn that was supposed to have come out of the recent Democratic convention at San Antonio. It seems that one of the sessions, at which a local minister, who was a Democrat, of course, who was to have given the invocation was absent. In the crowd was a close personal friend of the chairman of the meeting, who was a minister, but a Republican. The chairman asked his Republican friend to offer the invocation. But the Republican reverend declined.

"In the first place," the GOP preacher said, "it would hardly seem proper for a Republican to be praying at a Democratic convention. And in the second place, I don't want the Lord to know that I am here."

THE DOCTOR had visited a farmer in the McCauley community. "Mrs. Robinson," said the doctor as he came out of the bedroom, "I must tell you that I don't like the way your husband looks."

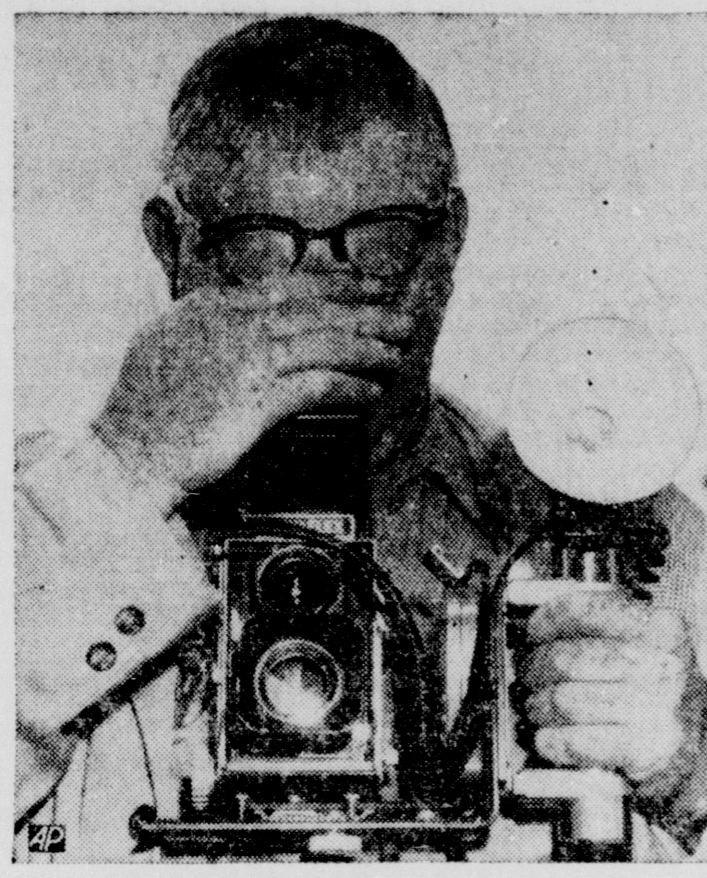

"To tell you the truth, doctor," said Mrs. Robinson, "I don't either. But he's nice to the kids."

W. G. VOLLMER, president of the Texas & Pacific Railway, has been credited with some mighty sagely reasoning in ads printed over the company's signature during the past several years. A recent advertisement of the railway carried these words of wisdom that deserve some pondering by all of us...

There is no such thing as a free lunch... not even when the government provides it. Every lunch has to be paid for... by somebody. The same is true of government aids, benefits and services.

They are not free. All of these things have to be paid for by somebody, and that somebody is we... the people. There is no such thing as "federal funds." That term is a wolf dressed up in sheep's clothing, and it deceives a lot of us into feeling that whatever we get from the government is free. Congress does not possess an Aladdin's lamp or a financial wishing well. Neither does the administration in Washington.

Every dollar the Congress appropriates, and every dollar the government spends, must come out of the earnings of we... the people. There is no one else to pay the bills. The more the government spends for free school lunches, for free inland waterways, for free airport terminal and airway services, for free hospital and medical services, for free slum clearance projects, for free farm price support programs, the more the government must tax us. And that means that each of us has less to spend... or to save. Not all taxes are visible. Most of them are not. We see the withholding and excise taxes. But we do not see the multitude of taxes hidden in the price of everything we buy.

Joe Murff Elected ASC Area Chairman

Ballots cast in the Agricultural Stabilization and Conservation committee election were tabulated by the county tabulation board, and the community committee

Jimmy Inzer Named By Junior High Band

Officers for the ensuing school year were elected by members of the Junior High School Band when the musical group met in business session Wednesday.

First Methodists Set Dates for Fall Revival

Dates for the annual fall revival at the First Methodist Church have been set for October 19 through 26. It is announced by church leaders.

All But Six Hamlin High School Girls Are Either in Piper Band or Pep Squad

Only six Hamlin High School girls are on the inactive list—that is, only that number are now not in either the Piper Band or the girls' Pep Squad, according to Doris Mitchell, sponsor and director of the Pep Squad.

Libby Johnson Elected Pied Piper Band's President at Meeting

Libby Johnson, daughter of A. E. Johnson, was elected as president of the Pied Piper Band in a meeting of the musical group's members last Wednesday.

Members of the Pep Squad, by classes, are: Seniors—Barbara Butler, Billie Dominey, Jo Ann Hallum, Louise Lakey, Betty Maberry, Melba Osbourn, Glenda Williams, Glenda Wright and Judy Teichelman. Juniors—Frances Howard, Judy Ford, Betty Galloway, Joyce Gray, Ann Maberry, Kay Millern, Carolyn Nunley, Sharon Sims and Derna Stapler. Sophomores—Lillie Sue Austin, Gwendolyn Brown, Minna Campbell, Linda Cavitt, LaNell Cross, Darla Harkey, Jorene Hudspeth, Nina Jean, Suzanna Jenkins, Jennie Law, Lanita Mallory, Melinda Martin, DeNetta McCracken, Reta Maynard, Dora Palmer, Charlene Pendley, Ann Rabjohn, DeWen Sanderlin, Myra Siburt, Sarah Snapp, Janice Ueckert, Nell Walden and Sharon Wyatt. Plans for Handling Big Homecoming Crowds Shaping

Final plans for handling the big crowds expected to attend the fourth annual ex-student homecoming of Hamlin High School are being completed, declares L. C. Bonds, president of the HHS Ex-Student Association, sponsor of the yearly get-together.

Association officials want to stress the fact that the barbecue at noon on Saturday, October 3, is for the entire public, whether they ever attended Hamlin schools or not, and purchase of barbecue tickets as early as possible will be appreciated.

A downtown office will be set up within a few days where exes may register, but earlier registration is urged to avoid the rush when out-of-town exes begin to arrive.

There will be a pep rally Friday afternoon, October 3, in downtown Hamlin preceding the homecoming football game against the Winters Blizzards. Details of the rally will be given in a later issue of The Herald.

Doyle Combs Takes Fairview Pastorate

Yields and Staple Turning Out Best In Several Years

County Agent K'by Clayton this week estimated that Jones County farmers will harvest 35,000 bales of cotton this season for an estimated revenue of \$4,330,000. This yield would be better than the average crop for the past 10 years, but only about one-third of the peak crop of many years ago. The Jones County crop will be second only to Haskell County in the Central West Texas area, according to tabulations of the Abilene district office of the cotton control office.

Part of Man's Leg Amputated After Oil Mill Accident

Condition of L. C. Thomas, 34-year-old employee of the Midwest Cooperative Oil Mill at Hamlin, was declared good Wednesday, following surgery late Monday that amputated his left leg just below the knee at Hendrick Memorial Hospital in Abilene. Manager R. L. McClung of the oil mill said the accident that injured Thomas occurred Monday afternoon about 4:00 o'clock in the seed crushing house of the big mill in Northeast Hamlin.

Area Soil Gets Best Soaking in Several Months

Hamlin territory's sagging rainfall record for 1958 received a big first Monday and Tuesday when more than two inches of precipitation was recorded at the government rain gauge maintained by Bill Rountree at the city pump station. While rainfall in areas around Hamlin received up to five inches in first-of-the-week rains, a total of only 2.33 inches was registered at the government gauge for Monday and Tuesday. Rainfall was heaviest east and northeast of town.

BCD to Continue Rodent Control in Entire Community

Continuation of the rodent control program in the Hamlin community was stressed when directors of the Hamlin Board of Community Development met Monday evening in monthly executive session at the BCD office upstairs in the city hall. The BCD will continue to furnish poisoned pellets to people of the community without charge, it was decided. The poison is available to everybody in the community—not just farmers and ranchers, as may have been understood previously, according to BCD President Carl Murrell.

Another Gain Shown in Attendance Totals At Sunday Schools

Still another gain—the third in a row—was registered in attendance at Sunday Schools of 17 Hamlin churches last Sunday. The 1,301 total was six more than the previous week and 14 more than the year ago total. Attendance, by churches, for September 14, September 7 and a year ago follows:

THIS SMOKING HABIT IS COSTLY IN MANY WAYS

Despite the fact that the smoking habit is embraced by a large percentage of the youths and adults of this country, health authorities still give repeated cautions about the dangers incident to smoking.

Not only is smoking harmful to health but the basic reasons for not smoking far outweigh any advantages—if there are any such things. Smoking is costly. The average smoker will invest nearly \$200 per year in cigarettes. Smoking begets laziness and indolence and sluggishness. Smoking wastes time and energy. An employer of some 12 people recently declared that he paid his employees nearly \$200 per week to smoke on his time, based on the amount of time that was wasted by them stopping work to smoke. Smoking is filthy. It seeps into the atmosphere as well as the body of the smoker. No lady smells dainty and delicate who has cigarette smoke as the predominant odor of her person. Smoking is repulsive to many people, but most of them endure it rather than relish it. Smoking hurts eyesight, defaces facial features, enlarges lips, stains teeth and fingers. Smoking shortens breath, increases heart-beat and disturbs nerves.

A new Public Health Service study records the death rate among veterans who regularly smoked cigarettes alone as 58 per cent greater than that of non-smokers. Those who used tobacco in any form—not just cigarettes—are shown to have a death rate

32 per cent greater than for persons who have never smoked.

The report made public recently was prepared by Dr. Harold F. Dorn, chief statistician for the National Institutes of Health, a part of the Health Service. It was drafted for delivery to the Seventh International Cancer Congress in London.

Dr. Dorn summarized death rates among 198,925 holders of U. S. government life insurance policies. These persons served in the armed forces between 1917 and 1940. They were aged from 30 to 90, with the majority between 50 and 70.

His report covered 7,382 deaths during the period July, 1954 to December, 1956. The deaths were related statistically in the report to the smoking habits of the veterans.

Of those who died, 6,203 were listed as smokers and 1,179 as non-smokers. The main findings—that smokers had a death rate 32 per cent higher than non-smokers and that smokers of cigarettes alone had a rate 58 per cent higher than non-smokers, were supplemented by those other points in Dorn's report:

The lung cancer rate for regular smokers of only cigarettes was about 10 times the death rate for non-smokers.

The death rates among regular cigarette smokers were closely related to the amount smoked. For example, death rates of persons who smoked more than 40 cigarettes a day were much higher than those of persons who smoked fewer than 10 cigarettes a day.

We Are Still Well Off

There is no point in minimizing the unemployment problem in this country. At the same time, there is an obvious danger that we may be led into wildly exaggerating it.

As of a late date, the Wall Street Journal points out, the unemployed amounted to about seven per cent of the total work force. By way of comparison, the figure at the worst of the great depression of the 1930s was 30 per cent. The lowest figure—three to four per cent—was reached during the post-war boom.

"Therefore," the Journal says, "when we attempt to appraise the present state of the economy in terms of unemployment we should remember that seven per cent out of work, while personally distressing, is mathematically excessive only when compared with the best years any economy ever had."

We all hope that the seven per cent of the work force who are now unemployed will find jobs soon. Meanwhile, it will do no one any good to act as if the bottom has completely fallen out of the economic structure. It hasn't. Despite the recession, the vast majority of the American people are far better off, materially speaking, than their equivalents in any other country on this earth.

Safety Depends on Us

"When you work for safety—safety works for you." That was the theme of the recent fifteenth annual National Farm Safety Week. It is co-sponsored by the National Safety Council and the U. S. Department of Agriculture.

Purpose of the special week, which was proclaimed by President Eisenhower, was to prevent accidents to farm families—in the home, in the field and on the highway.

Accidents to farm residents take nearly 13,000 lives and injure more than 1,000,000 persons annually. Farming has more deaths each year than any other major industry.

Many organizations concerned with agriculture and farm life cooperate in the national campaign.

"The National Safety Council urges everyone with an active interest in the welfare of farm residents to participate in National Farm Safety Week, and to promote accident prevention the year round," it said.

Really Live in Nature

Elia Waterbury Gardner is author of a poem entitled "Life" that recently appeared in Boys' Life magazine that cites us to nature for an insight into the beautiful things of life. We reproduce it here:

If you get blue and things seem hard,
Just go out in your own dooryard
And hear a robin trill,
And see a flower, until
You feel light-hearted as a singing bard.

Or ride clear up to the very top
Of yonder hill, then park and stop.
Tall mountains rise to view,
Green prairies, blue sky, too.
You'll feel this life-renewing, sturdy prop.

Or better yet, ride up the stream
That roars down canyon walls. You seem
To get its power and thrill.
You drink and drink your fill
Of life. You get its pattern and its theme.

Editorial of the Week

HALT FLOW OF RED INK

It's much easier said than done, but if there was ever a time to cut back on avoidable government spending that time is now. The new fiscal year, which began July 1, is expected to produce a whopping federal treasury deficit.

To eliminate much non-essential spending the government should engage in no activity that private enterprise can handle—usually more ably and economically. The prime example is electric power. The government's investment in power plants runs into the high billions. Since these plants are wholly or largely tax-free, the treasury suffers a loss of more billions.

The government is also a huge lender, banker and insurer; in fact, its list of business type enterprises is virtually endless, with enormous cost to the taxpayer. Urge your legislator to help eliminate much of this senseless, and very costly, competition with private enterprise. Only if government is confined to its proper sphere can we really hope to stop the flow of red ink in Washington. And only if we stop the flow can we ever hope for any substantial reduction in taxes.—Grit Magazine.

RECALLING Other Years

★ Being news items taken from old files of Your Home-Town Newspaper, The Herald.

THIRTY YEARS AGO.

In scanning the files of Your Home Town Paper, we find the following news briefs, taken from the issue of The Hamlin Herald dated September 21, 1938:

W. J. Lang Department Store advertises these items: Ladies' silk dresses, \$4.95; ladies' shoes, \$3.95; ladies' sport suits, \$6.95.

Clay Lumber Company is preparing to open a new yard in South Hamlin. C. N. Conley is local manager.

Mrs. J. E. Taylor, who has made her home in Hamlin for several years, is opening a new cafe in the building just south of Piggy Wiggly.

Football Coach O. D. Roland says the Pled Pipers have shown fine improvement in two weeks of practice. Among boys trying for places on the squad are Archie Jones, Noel Weaver, S. T. Johnson, Olen Stewart, Fred Mayfield, Floyd Warner, T. C. Arnett, W. McGuire, Joel Crissel, Elkins, Ellison, L. Craddock, Dean, J. Ferguson and Johnson.

Bryant-Link Company grocery department advertises these special prices: Crystal White or P. & G. laundry soap, 10 bars for 35 cents; Thompson's or Colwell's bread, per loaf, six cents; pea-berry coffee, 31 cents pound; and lemons, 17 cents dozen.

TWENTY YEARS AGO.

From the files of The Hamlin Herald dated September 16, 1938, the following news briefs of 20 years ago are reproduced:

Hamlin Pled Pipers lost their first football game of the season last Friday to the Rotan Yellow-jackets by a score of 13 to 0. On the team are Max Carlton, Bill Morrison, Doby Johnson, Cecil Sellers, Brookie Pitcock, George Dean, DeFrance Burton, Bobby Barrow, Joe Bonds, Clay Bailey, Marnie Ray Barton, Don Coles, R. A. Dean, Raymond Elkins, Jack Ellison, J. R. Elliott, S. C. Ferguson, Tolly Fudge, Gerald Ivy, Bill Harbert, J. L. Jones, Jack Kelly, Roland Kennedy, Dick Ivan Mustang, James Nicholson, Norman Lassater, Everett Nelson, Jack Russell, Dean Redus, James Steed, Leonard Sowell, John Max Taylor and J. E. Walton.

Mrs. W. R. Johnson and children of Dallas are spending several days in the home of her parents, Mr. and Mrs. W. L. Boyd.

TEN YEARS AGO.

Events in the Hamlin community 10 years ago included the following, reprinted from the issue of The Hamlin Herald dated September 17, 1938:

Plans for building a farm-to-market road from Highway 180 at Boyd's Chapel to Neinda are being made by the Texas Highway Commission.

Officials of the Hamlin Memorial Hospital and citizens of the community were seeking a solution this week to the problem of keeping the hospital open and functioning in the face of pressing indebtedness of \$26,000.

Hamlin High School's Pled Pipers football crew opened the season Friday night with a 7 to 7 tie against the strong Stamford Bulldogs.

FIVE YEARS AGO.

Goings-on in the Hamlin community are reflected in the following news briefs, taken from issue of The Hamlin Herald dated September 18, 1933:

West Texas farmers have been assured by Production Marketing Administration that equitable arrangements will be made in acreage allotments, following word of several days ago that acreages in the area would be trimmed.

Work was started last week by a 22-piece band at DePriest Colored School under direction of Walter Chalcraft, high school band director, and Mrs. Gwendolyn Tyska of the DePriest faculty.

No leads to perpetrators of burglary of the Ferguson Theater Sunday night have been discovered, according to Police Chief J. H. Foster.

ONE YEAR AGO.

News bits from The Hamlin Herald dated September 19, 1957, include the following:

Fairview Baptist Church, seven miles southeast of Hamlin, has been named county winner of the Town and Country Achievement award by the Jones County Baptist Association.

Numerous cases of the flu have been reported in the area during the past several days. Another teacher has been added to the Hamlin School faculty, making two additional teachers more than last year.

Scores of Hamlin Area Young People Leave for Colleges at Many Points

Young people of college age began streaming out several days ago to various colleges and universities all over the Southwest as they looked forward to work for the ensuing school sessions.

College students numbered nearly 100 from the Hamlin community, reflecting a decided trend for higher education among the adolescents of the region.

After several days of tabulating The Herald came up with the following list of college students who had left for school. The list, of course, may not be complete. If other names have been missed, we would appreciate learning of them so Your Home Town Paper may make mention next week.

The list is given by colleges.

Bob Jones College, Salem, North Carolina—Norma Garrett.

Texas Technological College at Lubbock—Virgil Wilson, Everett Gibson, Joe Stephens, Kline Irvine, Jay Cunningham, Mac Reid, Davy Weaver, Jack Drummond, Irene Putnam, Mr. and Mrs. Don Rose (nee Whyname Hayes), Carl Thompson, Clark Hewitt, Dennis Johnson, Clifford Eoff, George Huling and Don Crowley.

Arlington State College at Arlington—Don Drummond.

Texas Medical School at Galveston—Eddie Bayouth.

Abilene Christian College—Bob Spaulding, Judy Brandon, Rodney Spaulding, Jerry Fred Jay and R. A. Wade.

Southern Methodist University at Dallas—Bill Murff and Holly Toler Jr.

North Texas State College at Denton—Lanier Foster, Elizabeth Norton, Janice Crowley, Carl Max Weaver, Joe Cowan, John Norton, Reba Roland, Bob Carter, Peggy Briscoe, Hallmark, Mrs. David Cowan, Mary Ann Willbanks and Dewey Nunley.

Hardin-Simmons University at Abilene—Barbara Durham and Gene Steele.

McMurry College at Abilene—Dee Prewitt, James Boyd, Laveta French, Ronny Parker, Kenneth Neal, LaVere Wilson, Sara Kay Fomby, James Crowley, Kenneth Hewitt and Douglas Ford.

University of Texas at Austin—Richard Sutherland, Mr. and Mrs.

Danny McCurdy Is Named President of Junior Class at HHS

Danny McCurdy was elected as president of the junior class at Hamlin High School when the group met last week in business session.

Called to order by the 1957-58 school year president, Sam Mack Hodges, the juniors elected the following slate of officers: Danny McCurdy, president; Steve Stephens, vice president; Rebecca Ferguson, secretary; Carol Joe Simpson, treasurer; Sam Mack Hodges, reporter.

Class sponsors are T. C. Blankinship and Mrs. Charles Scott. Mrs. Thomas Ferguson, Mrs. V. Shields and Mrs. Benny Ford were named as class sponsors.

Brenda Fincannon and Ken Prewitt were selected as class favorites. The Piper Queen nominee is Rebecca Ferguson, and ladies-in-waiting are Martha Gage and Joyce Gray.

Class colors are aqua and white, and the flower is the red rose, it was decided.

New School Board Member Will Be Named Next Week

New member of the board of trustees for the Hamlin Independent School District is expected to be named at the next meeting of the board, probably next Monday, according to board officials. The appointee will fill the unexpired three-year term of Noel (Duck) Weaver, who resigned recently.

Weaver submitted the following statement to The Herald:

To the people of the Hamlin school district: I would like you to know it has been a pleasure to serve on your school board for the past six and one-half years. I feel honored to have been chosen by you to do this service. The cooperation, loyalty, respect and ability of each administrator, teacher and everyone employed by our school system has made the job much easier and a pleasure.

Certainly we have had difficult decisions to make, but I want you to know that you and your interests as patrons and taxpayers are first considerations of the board.

You have a fine group of men serving on your school board. Strong, efficient boards make good schools. Let me remind you that you have put your confidence in our schools to mold your children into the citizens of tomorrow. May I urge you to take interest in your schools.

For your confidence in me and for your loyalty and cooperation may I say thank you. It has been a pleasure to serve you.

WINS PERFUME AWARD.

Mrs. Burt Oliver, 845 Northwest Third Street, was announced this week as the winner of a purse flacon of "Mr. John" perfume in the new "Suburbia" fragrance, one of the second prizes in the Maryland Club coffee contest held here recently.

WILL SUCCESS SPOIL TAMI?—Tamesha (Tami) Kelly, 18, of Austin is playing the role of Rita Marlowe in the Austin Civic Theater production of "Will Success Spoil Rock Hunter?" Tami was selected for the part because she seems to fill the shoes—and other apparel—of Jayne Mansfield, another Texas beauty, who skyrocketed to fame in the Broadway production of the play. Tami's dimensions are 37, 22, 36½ compared to Jayne's 40, 25, 35½.

Star-Telegram Offers Temporary Bargain

Definite prediction of a raise in the bargain days rate on The Fort Worth Star-Telegram subscriptions within the next 30 days was announced by that daily in a release this week to The Herald, which handles mail subscriptions.

However, until October 1 only The Herald is permitted to take new and renewal subscriptions at the old bargain rate of \$13.95 for seven days and \$12.60 for six days.

In combination with The Herald subscriptions will be further reduced to \$15.95 for seven days and The Herald and \$14.60 for six days and The Herald.

These rates are good until October 1 only, so we urge you to send or bring in your subs now.

Any man who will look into his heart and honestly write what he sees there will find plenty of readers.—Edgar W. Howe.

Baptists of County Give Progressive Reports at Confab

Glowing reports of progress by the 29 Southern Baptist Convention churches of Jones County during the past year were given Tuesday at the annual meeting of the Jones County Baptist Association at the First Baptist Church in Stamford, Rev. J. N. Easterwood of Anson, was moderator and presided at the sessions that opened at 9:30 a. m. and continued throughout the day.

Dr. R. H. Dilday of Dallas, Baptist state Training Union secretary, spoke Tuesday morning at 11:30. Other speakers of the day included: J. M. Lunsford of Beeville, who spoke on the Baptist orphans' homes; Dr. Billy Smith of Hardin-Simmons University at Abilene, who spoke on Christian education; and Chaplain Charles Myers of Hendrick Memorial Hospital, whose subject was "Our Hospital Ministry." Rev. L. L. Trot of Abilene, district missions secretary, who talked on "On the March."

Mrs. N. I. Williams of Lueders, treasurer of the Lueders Baptist Encampment and wife of the manager, talked on the Lueders Baptist Encampment.

Theme of the gathering was "Onward, Upward, Outward." Reports were given by associational officers, with Rev. Milton Thompson of Hawley giving evangelism; Mrs. Milton Thompson, WMU; Mrs. W. T. Gambill of Stamford, Training Union; Biddy Wrinkle of Stamford, cooperative program; Rev. Calvin Bailey of Hamlin, Sunday School; Rev. Jesse Swindell of Stith, obituaries; and Lewis Timberlake of Stamford, Brotherhood.

NURSE NAME MISSED.

The name of Mrs. Leona Teichelman was inadvertently omitted from the list of Hamlin women who recently completed a year's training under the vocational nurse's training course at Hamlin Memorial Hospital. She passed the state board and now is a licensed vocational nurse.

Heavy Cattle Runs Fail to Materialize At Major Markets and Prices Steady

Fears expressed in the trade last week that excessive runs of cattle and calves might arrive at points around the major marketing circle proved unfounded Monday, declares Ted Gouldy, special market reporter for The Herald, in his weekly market summary. His release continues: The 12 major markets showed over 14,000 fewer cattle and calves, although Fort Worth had nearly 10 per cent more.

Trade developed along active lines on most cattle and calves at all points, although the feeder cattle trade was inclined to shy away from heavyweight yearlings and feeders unless some concessions in price were accomplished. Stocker cattle and calves suitable for pasture purposes were in broad demand at all points.

At Fort Worth the stocker trade was very active and again there were both large and small stockmen from all over the Southwest seeking replacement cattle and calves. Cattle and calves were active and fully steady with some sales on calves strong to 50 cents above the low close of last week. Fed steers and heifers were in small supply and sold at firm rates. Cows and bulls were active at strong prices throughout.

Good to choice slaughter steers and yearlings bulked at \$24 to \$26.50, and medium to lower grades cashed at \$18 to \$24. Fat cows sold mostly at \$18 to \$21, a few heiferish kinds higher. Canners and cutters sold for \$13 to \$18. Bulls brought \$18 to \$22 in most sales, odd head outside that range.

Good to choice slaughter calves cashed at \$24 to \$26.75, and a few to \$27. Common and medium slaughter calves drew \$18 to \$23, and culls sold at \$16 to \$18. Medium and good stocker steer calves ranged from \$28 to \$33, and common to medium sorts cashed at \$20 to \$27. Stocker heifer calves ranged downward from \$30. Stocker steer yearlings of medium to good grades sold from \$20 to \$25, and some lightweights drew \$26 to \$27. A few medium to fairly good stocker cows sold from \$18 to \$20.

Trade on butcher hogs was 25 cents higher, and packer hogs sold 25 to mostly 50 cents higher at Fort Worth Monday. Local supplies follow the same pattern as the Monday receipts around the major market circle and were below expectations.

Top hogs scored \$21.25 to \$21.50 and medium to good kinds cashed at \$20 to \$21. Sows sold from \$18.50 to \$21, as the sausage makers scurried around after the limited supply. A few stags drew \$12 to \$15. A few pigs sold from \$15 to \$18. Odd hogs cashed in the \$8 to \$9 range.

Despite being in negligible supply, packer types of lambs were weak to 50 cents or more lower at Fort Worth Monday. Packers displayed little interest and feeder buyers were active at firm prices. Hence, the bulk of the offerings was sold as replacement lambs.

Stocker sheep found strong prices, quality considered. Slaughter classes of sheep and goats also were firm.

Slaughter lambs were dull and weak to 50 cents or more lower. The trade was lacking an adequate test on fat lambs, as most offerings were mixed fat and feeder lambs and the feeder prices usually outstripped packer offers except on culls.

Medium to good fat lambs drew \$18 to \$20, and cull to medium lambs drew \$12 to \$18. Stocker and feeder lambs sold from \$19 to \$21, a few buck lambs around \$16 to \$18. Slaughter ewes sold from \$7 to \$8. Fat goats sold at \$7, with light canners at \$6 and a few billies at \$5. Kid goats sold at \$10 to \$11.

Solid mouthed stocker ewes sold at \$15 to \$16 per head and yearling, two-year-old and three-year-old ewes sold from \$18 to \$21.

Durwood Boyd Made President of FFA Unit

Durwood Boyd, son of Mr. and Mrs. B. I. Boyd, was elected president of the Hamlin High School chapter of Future Farmers of America in a meeting Wednesday of the group.

Other officers elected were: Clyde Hodnett, vice president; Bob Murff, secretary; Joe Ford, treasurer; Ray Johnson Jr., reporter; and Lynn Wright, sentinel.

Advisor for the FFA chapter is T. C. Blankinship.

Peggy Briscoe and W. H. Hallmark Jr. Repeat Marriage Vows in Church Rites

Peggy Joyce Briscoe and William Hugh Hallmark Jr. repeated marriage vows Saturday evening, September 7, in the First Baptist Church. The pastor, Rev. Calvin Bailey, officiated for the rituals.

The bride is the daughter of Mr. and Mrs. Floyd Briscoe, and young Hallmark's parents are Mr. and Mrs. W. H. Hallmark Sr.

The church was decorated with white gladioli and greenery. Mrs. Henry Albritton played wedding music and accompanied Mrs. Clyde Lewis, soloist.

Maid-of-honor was Alicia Greiner of Breckenridge, and bridesmaids were Lussara Cowan of Denton, Mary Ward of Dallas and Betty Jo Sternberg of Marshall.

They wore matching dresses of cobalt blue taffeta designed with princess lines and boat necklines accented in back by a drape falling to the hemlines. Their hats were fashioned of white net and trimmed with velvet ribbons the color of their dresses. They carried white lace fans centered with red roses and white streamers.

Jerry Briscoe, brother of the bride, was best man. Candelights were David Cowan of Denton and Clifford Eoff. Ushers were Joe Cowan and Dwight Wallace, and they also served as groomsmen.

Flower girls were Donna Gwyn Hallmark, sister of the bride.

Church Reception For Briscoe-Hallmark Wedding Party Held

Following the Briscoe-Hallmark wedding Saturday evening at the First Baptist Church, a reception was held in the fellowship hall at the church.

Members of the house party were Mmes. Joe League, D. W. Cowan, W. O. Willbanks, F. T. Wallace, Don Hymer, W. C. Lockhart, Everett Gibson, Ned Moore, Eddie Jay, John Corley, J. T. Cox, Faye Dean, Jerry Rollis, H. R. Daniel and Ivy Myers, and Misses Reba Roland and Mary Ann Willbanks.

For a wedding trip to Colorado the bride wore a cobalt blue suit with matching accessories and the orchid from her bouquet.

After September 15 the couple will be at home at 1421 Locust Street in Denton.

Rehearsal dinner for the wedding party was hosted Friday evening by the bridegroom's parents in the home of Mr. and Mrs. W. W. Wallace.

Precious Beauty Shop To Open Thursday

Pointers on Buying Given in Program At Good Neighbor Club Gathering

Members of the Good Neighbor Home Demonstration Club met Tuesday afternoon for a vacation period during the month of August.

The nominating committee announced the following officers for the 1959 club year as follows: Mrs. J. E. McCoy, president; Mrs. A. A. Smith, vice president; Mrs. Dale Lain, secretary; Mrs. Jack Kelly, treasurer; Mrs. Elmer Joiner, reporter; Mrs. L. R. Faulkenberry, council delegate.

The club is inviting members of the Friendship Home Demonstration Club to be their guests on November 11, when Mrs. Joiner will give a report on her trip to the state THDA convention.

Mrs. Sam Hodges gave the program on Tuesday on "How, When and Where to Buy."

As a consumer, here are some things one needs to consider, it was brought out in the program:

1. What resources do you have? Income, interest and ability, time and energy, and markets available.
2. What do you want most right now?
3. Decide what you will get first from available funds.
4. Investigate sources and types of goods.
5. Make decision.
6. Carry out your plan.
7. Take care of your purchase.

How to Buy—Here comparative shopping pays off. Compare costs and amounts; compare costs and different kinds of food or fabrics that will provide the same food value or the same wearing quality. Above all, resist door-to-door salesmen.

When to Buy—(a) Out of season: Buying just before holiday or during the holiday rush is expensive in time and energy and often in money. (b) Become sale conscious: Don't buy if you don't need the article, even if it seems cheap. Shop at the beginning of sales. Have a definite item in mind to avoid aimless bargain hunting. Examine any purchase carefully. Leave your rose-colored glasses at home when going to sales.

Where to Buy—Where you buy will depend upon your resources. You may have a comparatively

large supply of money in relation to the time and energy you can use in buying. In this case you can afford to pay for more services in order to save your time and energy. You can select what you consider to be a reliable store or market. You can telephone your order and have one or more

Opening Meeting of Hamlin Garden Club Held in Bonner Home

Members of the Hamlin Garden Club had their opening tea in the home of Mrs. Harold Bonner last Friday afternoon.

The lovely arrangement of pink roses on the tea table was accented with the brown ribbon streamer announcing "Civic Beauty Is a Public Duty," the topic for the program of the day. The arrangement was made by Mrs. C. R. Lovell.

Mrs. Arlie Cassie presided in the absence of the president. She presented Mrs. Fred Carpenter, the yearbook chairman, who brought a discussion, "Looking Forward Through the Year." The new yearbooks were then passed to members present. "Landscaping for Beauty" is the theme of the study for the year.

The social committee serving was composed of Mmes. Clyde Grace, C. F. Cook, Harold Bonner, Joe Long, L. B. Gaze, Edgar Duncan and C. G. Green.

Next meeting of the club will be in the home of Mrs. L. B. Williams on October 10. "Landscaping the Public Area" and "The Perfect Lawn" will be topics of discussion.

Pied Pipers Meet Merkel in First Home Grid Game Friday

Hamlin Doped to Beat Badgers on Local Gridiron

With two victories already hanging from their belts for the season, the Merkel Badgers invade the Pied Piper stadium tomorrow (Friday) evening for their third encounter and the first home tilt for the Hamlin team that is expected to attract a record crowd for the opening at home.

Coach Carroll Benson's Badgers, long time foes of the Pied Pipers, are doped to go down in this game against the home boys, although it will be a tough encounter for both crews.

Merkel defeated Stanton 46 to 8 in the season opener, and last Friday night laced Rotan 24 to 12. All three of those teams in in Class A football.

Coach D. C. Andrews declares that, although some of the Pied Pipers are nursing minor injuries from the Spur Bulldog fray Friday night they should be in good form for Friday night's fracas here.

PLAYING IT SAFE.

Two small boys were waiting to cross a street in heavy traffic. One said, "Come on, let's go!" "No," said the other. "Let's wait for an empty space to come along."

Don Latham Leads McCauley to 53 to 6 Victory Over Goree

Don Latham was the sparkplug of the McCauley High School Eagle six-man football squad Friday night when they lambasted the Goree crew 53 to 6 in a tilt played on the McCauley grid.

Latham scored three touchdowns and booted five extra points for a total of 21 points for the evening.

Other McCauley scorers included Tommy Howry, Fred Hampton and Stacy Mathis. Mathis scored two touchdowns and scored one extra point. Jimmy Jeffreys accounted for Goree's touchdown.

If taxes aren't cut pretty soon people may be forced to marry for love.

Pied Pipers Drop Second Game to Spur Crew 28 to 18

As feared by the local coaches before game time, and secretly predicted by The Herald (and not doped by a leading daily in the area), Hamlin High School's Pied Pipers dropped their second football game of the season to a strong and aggressive bunch of Spur Bulldogs in the latter's own back yard Friday night by a 28 to 18 count.

The game was a tough one from the start, and Speedy Joe Copeland was just too much for the locals to cope with. Copeland accounted for all four Bulldog touchdowns, and also was a stand-out on defense.

Copeland scored in the first, third and fourth periods to keep the Bulldogs in command of the game all the way. Each of the markers was on a short run, he going over from the six in the first, one in the second, three in the fourth and five also in the fourth period. Ken Suits ran over two points and Freddie Walker passed to Woody McArthur for two more extra points.

John Richey went over from the one-yard spot in the second quarter for the Pied Pipers. Fullback Gene Murff tossed a pass to Tobe Shields that was good for 14 yards and the second Hamlin touchdown. Big Roy Williams, kicking to Spur, raced down the field and fell on his own punt after the kick was blocked in the Spur end zone for the third touchdown for the evening for the Pied Pipers.

Clerk—"What size, sir?"
Customer—"I'm no sure, but I wear a size seven hat."

Hamlin B Crew Beats Haskell 48-6 In First Encounter

Coach Neil Laminack's Hamlin High School B squad got their season off to a good start last Thursday night on the Pied Piper gridiron with a resounding 48 to 6 defeat of the Bs from Haskell High School. A fairly good sized crowd of fans from the two towns witnessed the fracas.

Haskell kicked off first and before five minutes had elapsed Bill Richey charged across the goal line for the first touchdown for Hamlin of the B season. Four or five minutes later the ball was recovered and Jody Ford went down for a touchdown. It was called back for a clipping penalty. Ford was not let down by that and came right back to make the second official touchdown.

In the second quarter Ford was getting the TD. About halfway in the second quarter Haskell waked up and made their first marker. Stanley Austin didn't like that and topped them with a spectacular pass to Gerald McCannles, finished over with Jimmy Cooper making the extra point.

Peanut Boatright didn't want to be left out of the game and made a touchdown on a right end sweep, and made the extra point also.

In the second half Haskell came into the game with an excellent passing offense, but to no avail. Jimmy Cooper wasn't going to let Haskell outdo Hamlin, so he blasted over the goal line with Hamlin's sixth touchdown.

Rayford Williams intercepted a pass, turning the ball over to the Pied Pipers. The squad knew they might as well make a score while they had the ball. Jody Ford went to his favorite line—the goal line—for his third marker of the encounter. (Reported by Jerry Duncan)

Prisons Have Own Rough Riders in October's Rodeo

While the spotlight of the twenty-seventh annual Texas Prison Rodeo will be on five of the nation's top television and singing stars, 10,500 inmates of the Texas Department of Corrections want rodeo fans to know they will have some "stars of their own" in the limelight each Sunday in October.

Albert Moore, veteran prison rodeo director, announced that, in addition to inmate cowboys who have proven their ability in the arena during the past few years, there will be a number of new faces whose performances may surprise the "experts."

"Because of the way we get up our rodeo," Moore commented, "it's hard to predict what will happen as has been proven in past shows. Just about the time things may seem a bit dull, someone comes out of a chute to give fans the thrill of their lives."

Moore pointed out that the reason the prison rodeo is rough and tough is the fact that inmates get only two practice try-outs before the rodeo on prison rodeo stock brought in from the prison's several farm units.

Since inmate performers know that the success of the rodeo means more funds for their welfare program, they don't "spare the horses or bulls" to make every effort to please the crowds.

This year's top flight stars to make personal benefit appearances at the rodeo include Richard Boone on October 5, Dale Robertson on October 12, Ward Bond on October 19, and Robert Culp and Tommy Sands on October 26.

Reserved seat tickets, at \$2.40 and \$4.40 each, may be purchased in advance by writing the Rodeo Ticket Office, Huntsville, Texas, enclosing check or money order.

Petrofina to Broadcast Professional Games

American Petrofina Company of Texas will again co-sponsor professional football telecasts this fall, J. M. Chea Jr., vice president for marketing, has announced. This will mark the fifth year that American Petrofina, or its predecessor company, has co-sponsored professional football telecasts.

Fifteen games will be telecast over the Columbia Broadcasting System through 11 Texas outlets and Albuquerque, New Mexico. The first telecast will be September 28 in a game between the New York Giants and the Chicago Cardinals. The games will be seen in this area over KPAR-TV.

IT WON'T BE LONG before Southwest Conference football broadcasts will fill the air in Texas for the twenty-fifth year. Here two of Humble's top announcers, Kern Tips (left) and Alec Chesser, are being brought up-to-date on formations and plays by the University of Texas' head coach, Darrell Royal. Many Hamlin area fans are regular listeners to the Southwest Conference broadcasts every Saturday.

Firemen Will Direct Game Traffic Again

Members of the Hamlin Volunteer Fire Department will again direct parking of cars at the Pied Piper stadium at all home games during the football season, it is announced this week by Superintendent of Schools C. F. Cook. First home game will be tomorrow (Friday) night.

Cook declares this public service is much appreciated by school authorities, and he urges expressions of thanks by citizens generally to members of the fire department.

Booster Club Gives \$250 for Grid Camp

Members of the Pied Piper Booster Club, at their regular weekly meeting Monday evening at the high school cafeteria, voted to pay \$250 toward the expense of the recent pre-season football camp conducted at Pied Piper stadium.

Expenses of the camp, which cannot be borne from the regular school funds, amounted to \$399, school officials announced. Further assistance from other sources has been promised. Superintendent of Schools C. F. Cook told The Herald this week.

District 6-AA Football Crews Again Win Three and Lose Two Tilts Friday

District 6-AA football crews repeated their first week's performance by winning three and losing two of their week-end encounters, all of them non-conference affairs, of course.

Stamford continued its march with a 38 to 6 victory over the Ballinger Bearcats. Haskell defeated Olney 14 to 0, and Seymour laced Munday 39 to 6. Hamlin and Anson were losers for the week-end slate, Hamlin going down 28 to 18 before Spur, and Winters measuring Anson 12 to 7.

Stamford's Bulldogs rolled up 448 yards rushing to only 27 for Ballinger as they again proved they will be strong district championship tender. Donald Davis led Stamford's scoring spree with three touchdowns. Tab Bunkley went over twice on passes and Upshaw and Mark Henson scored the other tallies. Ken Wiggington made Ballinger's lone touchdown.

The Seymour Panthers, defending district champions, found the going fairly easy in their 39 to 6 defeat of the Munday Moguls on the Seymour grid. Travis Clark made two touchdowns for Seymour. Eldon Belch went 18 yards for a counter, Billy Carlock raced 75 yards on a punt return, Joe Chandlers went 36 yards for a marker, and Billy McLarty ran 28 yards to pay dirt for the final touchdown. Fullback Phillip McAfee made Munday's lone score in the final period on a 10-yard run.

Haskell Indians salted away their game with the Olney Cubs Friday night early in the first quarter with two touchdowns and ran two extra points for a 14 to 0 victory on the Olney field. Tom Anderson, Haskell fullback, ran 17 yards for the first Haskell marker, then got two points with

a run after touchdown. Halfback C. O. Holt returned a punt for 85 yards for the second marker. The Olney defense braced and the Indians were through for the night.

Hamlin's Pied Piper gridders lost a heart-breaking non-district tussle Friday night to a strong Spur Bulldog squad led by Joe Copeland, who accounted for all four touchdowns, to the tune of 28 to 18. It was their second tilt of the season. Copeland scored in the first, third and fourth quarters to keep the Bulldogs ahead all of the way. Ken Suits ran over two points and Freddie Walker passed to Woody McArthur for two more. John Richey and Tobe Shields scored for Hamlin, and big Roy Williams fell on his own blocked punt in the Spur end zone for the third touchdown for Hamlin.

Winters' Blizzards found relief from their last week's loss to Crowell with a 12 to 7 defeat of the Anson Tigers Friday night on the Winters grid. Winters made 13 first downs to eight for Anson, and the two teams racked up about the same yardage in rushing, Winters making 191 and Anson 188. Charles Currey scored for Winters at the end of the first quarter on a quarterback sneak. Jimmy Largent passed to Ricky Grissom for the second Blizzard score. Ronnie Ryan tallied Anson's touchdown on a 75-yard run in the third period, and Delbert Wilson booted the extra point.

Anson Invites Area Folks to Western Party Wednesday

Anson is throwing out a big welcome mat to all residents of Hamlin and vicinity to come over next Wednesday, September 24, for a real Western party which will include stage coach rides, a parade, anvil salute, street dance, a historical film, a barbecue and museum exhibits.

The occasion is an overnight stop of the Butterfield overland mail caravan which has selected Anson as the ninth "corral" stop of the unique journey from Tipton, Missouri, to San Francisco, California, re-enacting events of the early day mail route through this area.

The caravan is slated to arrive in Anson at 1:00 o'clock Wednesday afternoon and depart Thursday morning at 8:30 after making a mail pick-up at the Anson post office. A welcoming delegation will start hostilities by meeting the caravan at the junction of Highways 83 and 1193 for a side trip to the site of old Fort Phantom Hill between 11:00 and 12:00 o'clock.

Local entertainment will start with a street parade in which the Hamlin High School Band Hamlin Riding Club have been invited to participate. Caravan exhibits will be set up on the parking lot southeast of the square at 4:00 o'clock.

A barbecue supper will be served on the southeast corner of the square from 5:30 till 7:00 o'clock.

A film, depicting the colorful history of the Butterfield mail route, will be shown at the Anson High School auditorium starting at 7:00 o'clock, and an old-time community street dance is slated to start at 8:30. The street on the east side of the courthouse will be roped off for the dance, and music will be furnished by Popcorn and his Band.

Estimated Four from County to Be Called By Draft in October

An estimated four draftees from Jones County will be called into the service during the month of October. The state quota for Texas draft boards in October calls for 564 men, Colonel Morris S. Schwartz, state selective service director, said Friday.

The state's October call of 564 compares with a quota of 573 for September, previously announced. The October call is the state's share of a national quota of 11,000 men, all for the Army.

The state director of selective service also announced that 1,824 men were scheduled to take pre-induction mental and physical examinations in October.

The September quota will be met with men who are at least 18 years old on October 1, with a portion of volunteers or draftees, who may be younger.

Reservists and National Guardsmen also may be called up during the month, in accordance with law and regulation, if they do not participate satisfactorily in their units.

Recent Rains Make Fall Gardens Timely In Hamlin Territory

Recent rains have provided the moisture needed for soil preparation and the planting of fall gardens, says Blueford Hancock, extension horticulturist. If planted now snap beans, lima beans, squash and the leafy green vegetables should produce good crops before frost.

Soil should be prepared now for later plantings of turnips, kale, collards, Swiss chard and broccoli, says the specialist. He recommends disking two or three times to form a smooth, firm seedbed. If only a small area is to be planted, he says a hand rake can be used to smooth the seedbed. Because most vegetable seeds are small, it is necessary to break up clods and plant them in a firm smooth bed in order to obtain a good stand.

Vegetables planted now will insure a good supply through the late fall and winter months and provide the family with the green and leafy vegetables they need for a good diet, says Hancock.

The specialist advises those who may desire more information on fall and winter gardening problems to visit the local county extension agents for advice and free publications.

Consistent Traffic Safety Habits for Pedestrians Urged

As Texas enters the final quarter of 1958, increasing pressure is being applied by safety organizations in urging consistent traffic safety habits on the part of the general public.

"The keystone in any safety program is the responsibility of the individual," J. O. Musick, general manager of the Texas Safety Association, said in his Austin office this week.

"Each man is his 'brother's keeper.' This Christian principle goes hand in hand with the natural instinct for self preservation," Musick said. "If the carelessness of an individual provokes an accident—to himself or another—he is a moral transgressor just as surely as if the act had been intentional."

Musick said too many pedestrians take their safety obligations lightly, thereby adding to the alarmingly high traffic toll each year.

"It is much easier to prevent an accident than to experience one. So, today is the time for each of us to take a critical look at our own traffic safety habits," Musick suggested.

He offered the following safe walking rules as a guide to sensible pedestrian behavior:

1. Cross streets carefully and only at intersections, or in specially designated crosswalks.
2. Never walk into the street from behind parked cars.
3. Obey traffic signs and signals; cross on green or walk lights only.
4. Wait on sidewalk, not in street, for light signals to change.
5. Look left and right for traffic while crossing. Beware of turning cars.
6. Do not go around a bus or street car, front or rear, after alighting from it. Wait until it leaves before crossing a street.
7. Do not rely on a driver seeing you on poorly lighted streets or on roadways at night. Carry a flashlight and wear light colored or reflective clothing.
8. Always walk so that you face traffic in areas where there are no sidewalks.

P-T-A Will Sponsor Sales of Magazines

The Hamlin School Parent-Teacher Association will again sponsor the annual sale of magazines in the Hamlin community this year, it is announced by P-T-A officials this week.

The campaign will be conducted from October 10 through 20. People of the community are urged by P-T-A leaders to hold their new and renewal magazine subscriptions for solicitors for the school group.

Producers Get \$5.44 For Milk in August

During August handlers regulated by the Central West Texas federal order sold an average of 371,472 pounds of Class I milk per day, which was .94 per cent more than the daily sales during July but was 5.34 per cent less than during August, 1957. All of this decline from a year earlier can be attributed to decreased in-lane sales, as out-of-area sales increased slightly.

Number of producers during August, which included a number in the territory south of Hamlin, was 527 compared to 541 during July and 654 during August, 1957. The average daily delivery per producer during August this year was 809 pounds compared to 794 pounds during July and 615 pounds during August, 1957.

Minimum uniform price to be paid for 4.0 per cent milk during August is \$5.44 per 100 pounds.

Bargain Combination Sub Rate Announced By Hamlin Herald

Fall bargain rates are being announced this week by The Herald and The Abilene Reporter-News on new and renewal subscriptions.

The Herald, in the face of increased costs of publication that have almost doubled during the past six or eight years, will continue to sell for \$2.50 per year in Jones and adjoining counties, and \$3 elsewhere.

In combination with The Abilene Reporter-News subscribers can save \$1 on the daily and Your Home Town Paper. Both papers will be sent by mail for \$14.45. The Reporter-News by itself is \$12.95 (\$11.95 without Sunday).

The Herald will be glad to handle all daily newspaper subscriptions in combination with The Herald at a decided saving.

Dove Hunting Good In Hamlin Vicinity

Dove hunting has been good in the Hamlin territory since the new season opened Monday of last week, according to nimrods who have been out after the fleet birds.

There is a plentiful supply of doves this year, as feed, water and cover have been good for propagation of the birds in most areas.

Mac Reid's Hogs Win At West Texas Fair

Mac Reid, former Hamlin High School student and member of the Hamlin Future Farmers of America chapter, showed a Hampshire boar to the grand championship in its class this week at the West Texas Fair in Abilene.

A Hampshire female also exhibited by young Reid took third place in her class.

Open House Slated For Band Prospects

Hamlin High School Pied Piper Band has room for expansion in numbers, it is announced this week by Mac Fullerton, director.

Fullerton says that an open house will be held in the band hall in the new gymnasium for prospective band pupils and their parents this (Thursday) afternoon and evening from 3:30 until 10:00 o'clock. Everyone interested in phases of band work is invited to attend.

O'NEALS WIN TRIP.

Mr. and Mrs. Buddy O'Neal of Lubbock are this week enjoying an expense-paid trip to Nassau with winners in the GE sales contests recently completed. O'Neal, former Hamlin boy and son of Mr. and Mrs. John O'Neal of Hamlin, is sales counselor for GE in the Lubbock territory.

Church Musicians Present Program At Lions Meeting

Members and guests of the Hamlin Lions Club were delightfully entertained at the regular Tuesday noon luncheon of the club group at the oil mill guest house with musical duets by Rev. and Mrs. Gene Moore, newcomers to Hamlin. Rev. Moore is the new pastor of Faith Methodist Church, and she is teaching in the Hamlin schools.

The couple sang "We Belong to the Mutual Admiration Society," "Tie Rose," "If You Believe," "I Walked Today Where Jesus Walked" and "My God and I." Mrs. J. W. McCrary, Lions pianist, accompanied them.

First Vice President Donley Williams presided at the Tuesday session in the absence of Acting President B. V. Newberry.

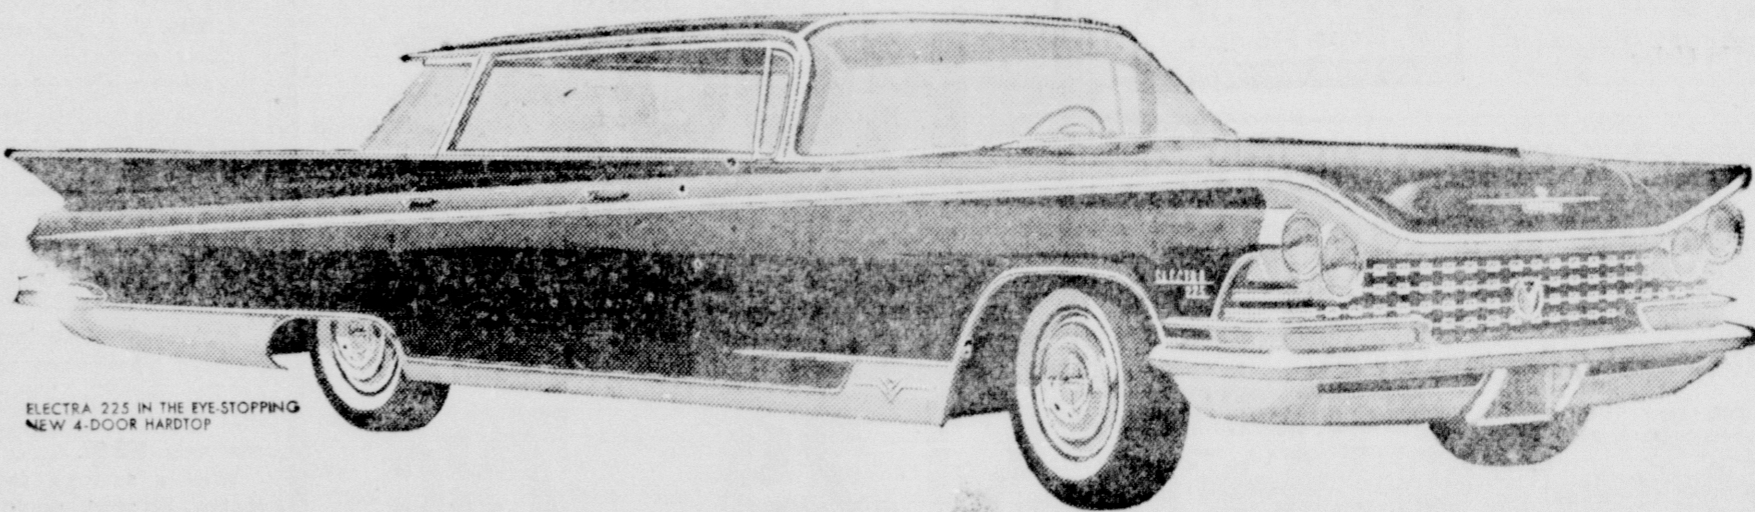

Besides the program principals, other guests at the Tuesday meeting were Rev. R. T. Jarrell, new pastor of the Hamlin Church of the Nazarene; Charles Sheffield of Rotan; Tom Hogan, C. F. Cook and J. B. Jayroe.

GO TO MULLEN RITES.

Rev. and Mrs. G. C. Henry were called to Mullen last Wednesday on account of the death of Mrs. Henry's brother, G. O. Baskin. He was 84 years of age. Funeral services were conducted Thursday afternoon.

Walt Disney Again Uses Early Day Theme for Film

Walt Disney again turns to an early American theme, the Indians vs. the settlers in pre-revolutionary days, in this splendidly cast, handsomely produced adventure film, "The Light in the Forest," which plays Sunday, Monday and Tuesday at the Ferguson Theater. The picture should appeal to youngsters and adults alike.

Like the enormously popular "Old Yeller," this has Fess Parker, Indian fighter and wild life for the kiddies, plus two attractive newcomers, James MacArthur and Carol Lynley, in romantic roles to draw the teen-age trade, and Joanne Dru and Wendell Corey as marquee names for adults.

Directed by Hershel Daugherty from the novel by Conrad Richter, the picture captures the spirit of the American frontier days so well that most of the actors seem like the real life characters. The Tennessee mountains locale, beautifully photographed in technicolor, has a truly primeval appearance. As brought out in both the action and dialog, whites as well as Indians exhibit good or evil traits.

Young MacArthur, who made his screen debut in "The Young Stranger," wins sympathy and credibility as the teen-age hero torn between conflicting modes of life, and the pretty Miss Lynley is appealing as the shy bondservant who loves him. Outstanding in support are Jessica Tandy as the boy's white mother, and Joseph Calleia as the wise old Indian chief.

Big Loan Authorized For Stamford REA

Rural Electrification Administration at Washington has approved a loan for the Stamford Electric Cooperative in amount of \$1,081,000, according to a telegram to The Herald from Congressman Omar Burleson.

The new loan will provide for improvements for the cooperative in Jones, Shackelford and Fisher Counties that will extend electric service to 530 new members, the telegram asserts.

Final Rituals for Koin Garrett, 77, Held Wednesday

Funeral services were to have been conducted Wednesday afternoon at 3:00 o'clock at the Hamlin Church of the Nazarene for Koin Garrett, 77-year-old Hamlin resident, who died at 11:15 p. m. Monday at the family residence, 131 Southwest Fifth Street, after a heart attack. He had been ill for about four months.

The pioneer was born at San Marcos on August 16, 1881, as the son of Mr. and Mrs. Thomas J. Garrett. He married the former Mantie Woods at Dripping Springs on February 8, 1903. The couple moved to Hamlin community in 1913 from Bangs. He was a member of the Methodist Church.

Officiating at final rites were Rev. R. T. Jarrell, Nazarene pastor; Rev. W. S. Hanna of Fort Worth, former pastor here; and Rev. John Holland, pastor of the Foursquare Gospel Church.

Interment was in the Hamlin East Cemetery under the direction of Hamlin Funeral Home. Pallbearers were Jess Miller, Glenn Williams, J. D. Hall, Paul Carlan, Bill Maynard and Jess Corey.

Surviving the pioneer are the widow, Mrs. Koin Garrett; five sons, Truman nad Odell Garrett of Hamlin, R. C. Garrett of Snyder, J. W. Garrett of Hamlin and Douglas Garrett of Sweetwater; four daughters, Mrs. Buster Gunn of Eldorado, Mrs. Cleo Macon of Stamford, Mrs. Ralph Roseman of Long Beach, California, and Mrs. Clifford Carlan of Hamlin; five brothers, Elgie Garrett of Bryan, Eugene and Walker Garrett of Houston, Jim Garrett of Palmdale, California, and John Garrett of San Marcos; two sisters, Mrs. Jennie Collie and Mrs. Dovie Crapps of San Antonio; 19 grandchildren and six great-grandchildren.

Methodist Men Go to Aspermont Meeting

Several men from the Methodist churches of Hamlin went Tuesday evening to Aspermont to attend a sub-district meeting of Methodist Men.

Supper was served by the Aspermont church men, and Pastor Edmund W. Robb of the Hamlin First Methodist Church was the speaker for the evening.

ANOTHER WALT DISNEY CLASSIC using an early American theme, "The Light in the Forest," will be the feature picture Sunday, Monday and Tuesday at the Ferguson Theater. Like "Old Yeller" that proved to be so popular several weeks ago, the technicolor film features Fess Parker, along with Wendell Corey, Joanne Dru, James MacArthur and introduces Carol Lynley.

Social Security Payments to People of Section to Be Automatically Increased

The more than 17,000 persons in the district now receiving social security checks will get an automatic increase of about seven percent on the checks to be mailed early in February, according to R. R. Tuley Jr., district manager. There is no need for any of them to write or call at their social security office to get that increase.

However, Tuley says, "I know there are several hundred others in this district who will need to talk with a social security representative in order to get benefits started to them. For the quickest and most efficient way to start that action, he suggests that a card or letter be written to him, at P. O. Box 5168, Abilene, briefly outlining the situation below which applies to a particular individual or family:

1. Certain dependents or persons now receiving disability insurance payments can now qualify for monthly benefits. These are wives at age 62, dependent husbands at age 65, and unmarried children under 18 or disabled children who have been disabled before age 18.

2. Persons whose disability claims (either for benefits or the freeze) were previously denied only because they did not have one and one-half years of social security credits in the three-year period just before becoming disabled.

3. Disabled adult children whose claims were previously denied solely because they were not receiving at last one-half of their support from the retired or deceased parent.

4. Dependent parents whose claims or inquiries were previously denied only because the deceased son or daughter was survived by a widow, widower or child who could possibly be entitled to benefits.

5. Anyone whose social security checks were stopped a cause of marriage, if he or she married a person who was also receiving social security checks.

Tuley suggests interested persons first write his office about possible benefits so that a mutually convenient interview time may be arranged, either at his office or with a representative of his office on one of his future visits to this county.

For more detailed information on the above changes, Tuley invites readers to write him for a copy of free Leaflet No. 1958-1. Those wanting just the changes in the disability provisions should ask for Leaflet No. 1958-2.

Class Mothers Named By Seniors at HHS

Members of the senior class of Hamlin High School met Friday to choose class mothers for the ensuing school year.

Mrs. L. R. Fowler, mother of President Red Fowler, was chosen along with Mrs. Kenneth Parker and Mrs. T. C. Blankinship.

Their duties will be work at the concession stand at the Friday night home football games and to accompany the class on the senior trip next May.

Water Conditions of Territory During August Reflect Below-Normal Rains

Water conditions of the Hamlin territory for August reflect the lack of rain during mid-summer according to tabulations of the monthly water conditions report released this week to The Herald by the Texas Board of Water Engineers.

Rainfall was below normal for the area, and reserves of surface water, likewise, were down some from a year ago. For example, Paint Creek Lake, northeast of Stamford, from which Stamford and Hamlin get most of their domestic water supply, held only 70 per cent of conservation capacity compared with 78 per cent a year ago. Other lakes in the region also were generally down from the August, 1957, level, but were not in precarious position. Rains since the report was prepared have filled several of the reservoirs.

Highlights from the lengthy water conditions report of interest to people in the territory are reproduced below:

According to a statement released by the United States Geological Survey, streamflow was about equal to the usually expected seasonal flows across the state except in scattered areas where moderate rises occurred following thunderstorms and in the lower Neches, Trinity, Colorado and Brazos Rivers, where most of the flow was sustained by releases from up-river reservoirs.

Total usable water in major Texas reservoirs declined 345,390 acre feet during August to some 8,927,920 acre feet, which is 88 per cent of conservation capacity. Total water in storage, which includes temporary storage of water in flood areas, was 10,298,590 acre feet or less than half of the total storage capacity.

Water level declines in selected observation wells in San Antonio, Alief, Pasadena, Atascosa County and Travis County ranged from 0.7 foot to 5.5 feet during August. Observation wells in El Paso, Uvalde and the Winter Garden area near LaPryor recorded rises of water level of .07 foot to 4.6 feet. New lows were set for the month of August in the El Paso area well and in the Travis County near Buda well, and new all-time lows were set in the Harris County wells at Alief and Pasadena.

Showers and thunderstorms accounted for all the rainfall during August, according to a survey just completed by the U. S. Weather Bureau state climatologist at Austin. Locally heavy rains up to seven inches fell in North Central and East Texas. More than two inches fell in the Trans-Pecos and Edwards Plateau.

By gauging stations over the state rainfall for August (first column), normal for August (second column) and total for the year are given below:

Station	Aug.	Normal	Total
Abilene	2.06	1.09	18.80
Amarillo	2.08	2.99	20.64
Austin	.68	1.85	25.93
